*This year is ours
To have and to hold
To live for today
To look back on when we're old*

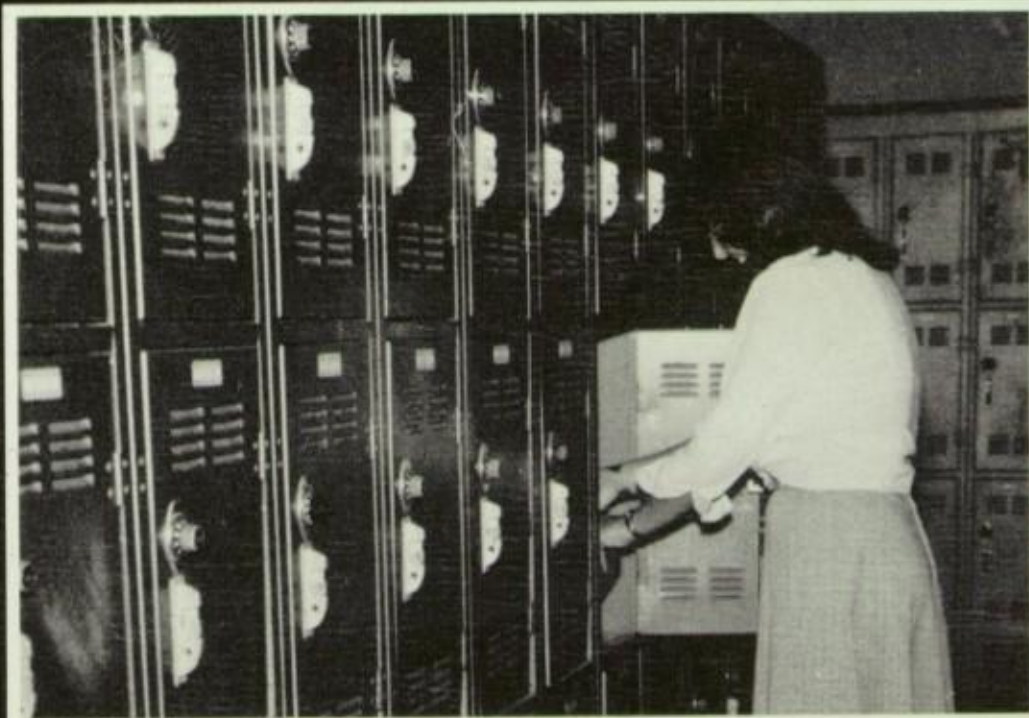

*Remembering the places we used
To pass the time away
All these times a part of our lives
And important to every day*

*Our rallies, classes, dances, games
All are different yet quite the same
Prompting spirit, building pride
That once was hidden deep inside*

The 1977 Annual Staff takes great pride and pleasure in dedicating the 1977 Troiani to a person who has added a great deal to Neff through the P.E. program and organizing G.I.A. (Girls' Interscholastic Athletics). Miss Sue Tisdall was born in California and has lived there all her life. Some of her hobbies include camping, backpacking, coaching, and reading poetry. She also gave much of her time to Girl Scouting and to camp counseling and directing in Washington and Idaho. Miss Tisdall went to Milikin High School and then she went on to Long Beach City College for two years and then to Long Beach State to obtain her B.A. and later, her Master's Degree in Physical Education. In college she was very active, participating on the volleyball and basketball teams. After graduating from Long Beach State, Miss Tisdall came to Neff where she

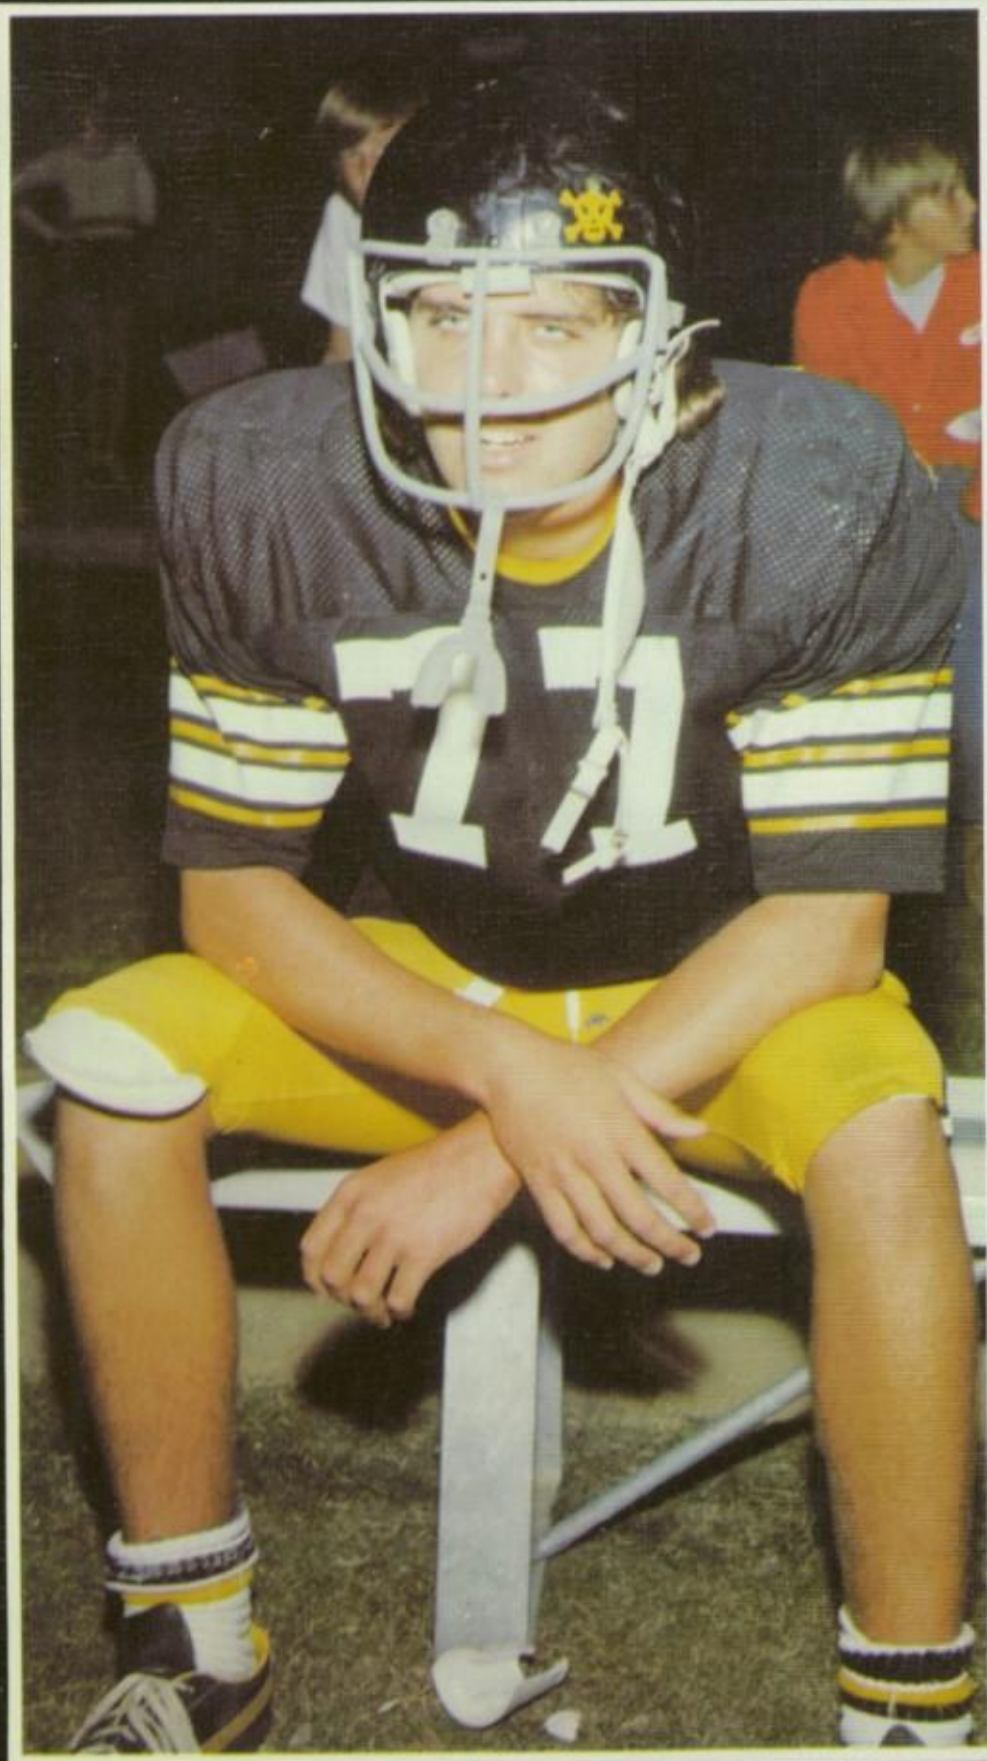

has spent the last six years *Teaching and coaching.*

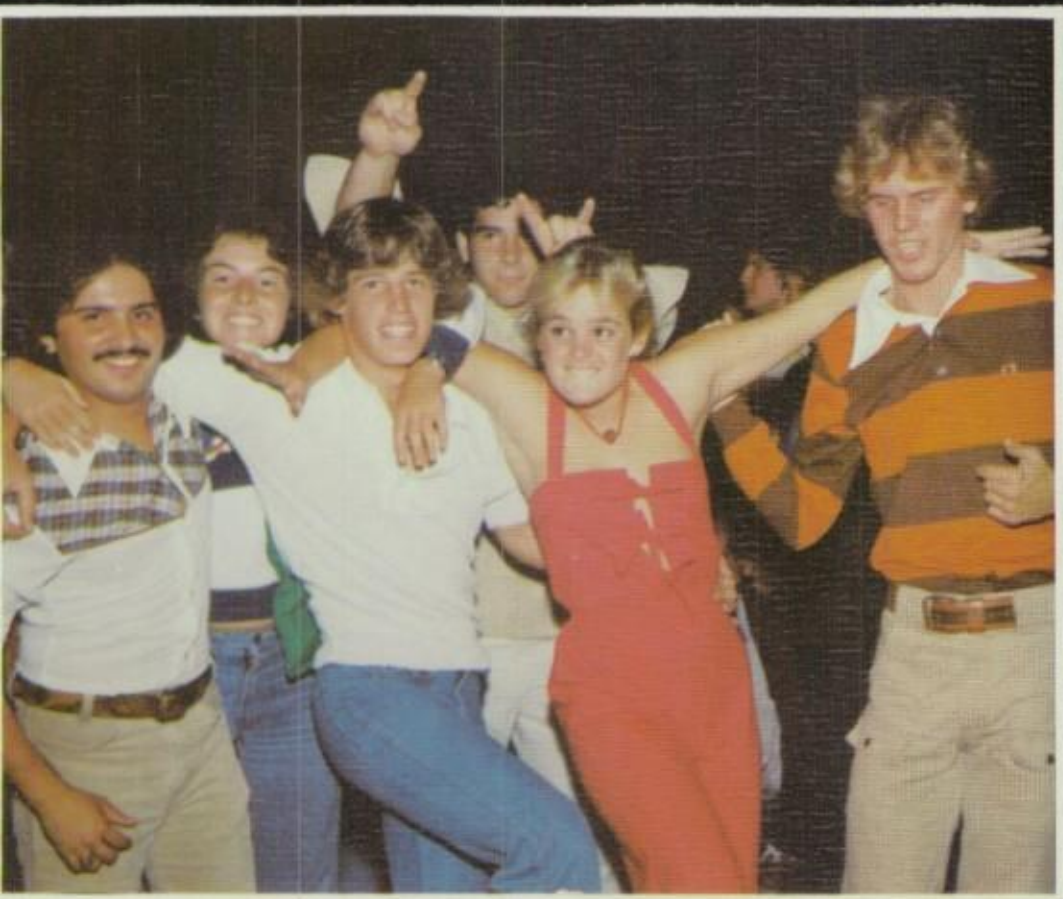

For the present girl's sports we have her to thank, for it was she that started and organized the present G.I.A. five years ago at Neff. The program has grown immensely since then, and is growing and progressing even more every year. Miss Tisdall coaches volleyball, basketball, and softball. In the last five years she has coached two volleyball and one softball team to C.I.F. playoffs. She does an excellent job and dedicates many hours to this. In this dedication we express our thanks to our teacher, coach, and friend Miss Sue Tisdall.

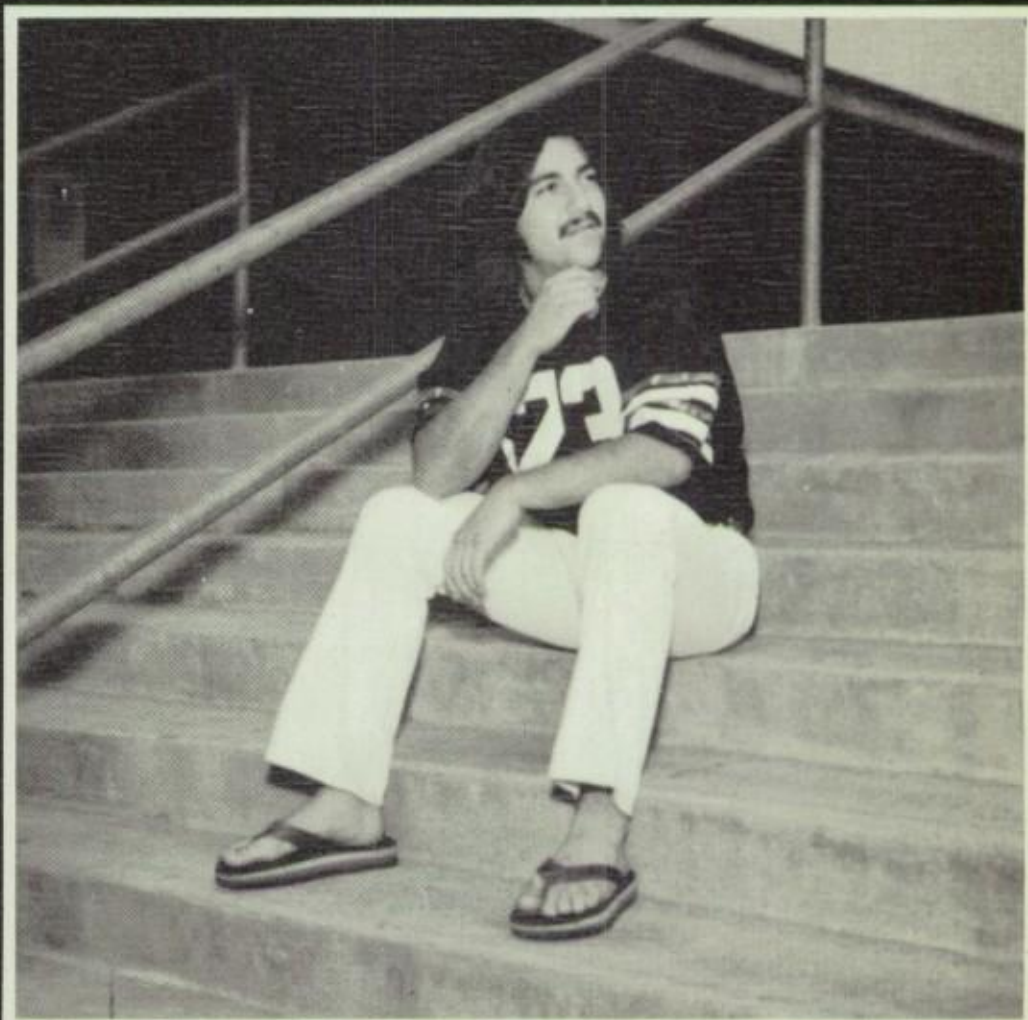

*This year is ours with bright new hopes
For every new tomorrow
Our tears and fears we struggled through
To share each others sorrow*

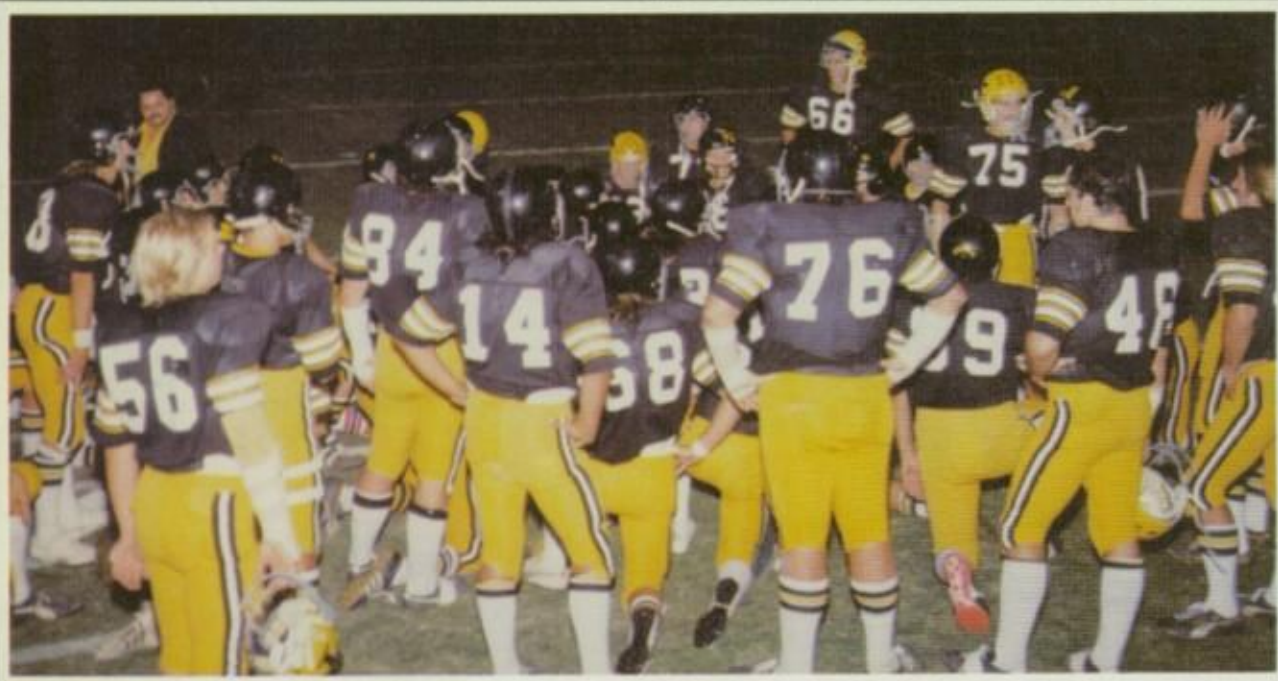

*This year is ours with all its success
Victories which take away the pain
and cheerfully convinces us
Our dreams are not in vain*

*This year is ours to have for ourselves
Just for us and no one else
To find the meaning of it all, like every passing season
To laugh at nothing now and then, for no apparent reason*

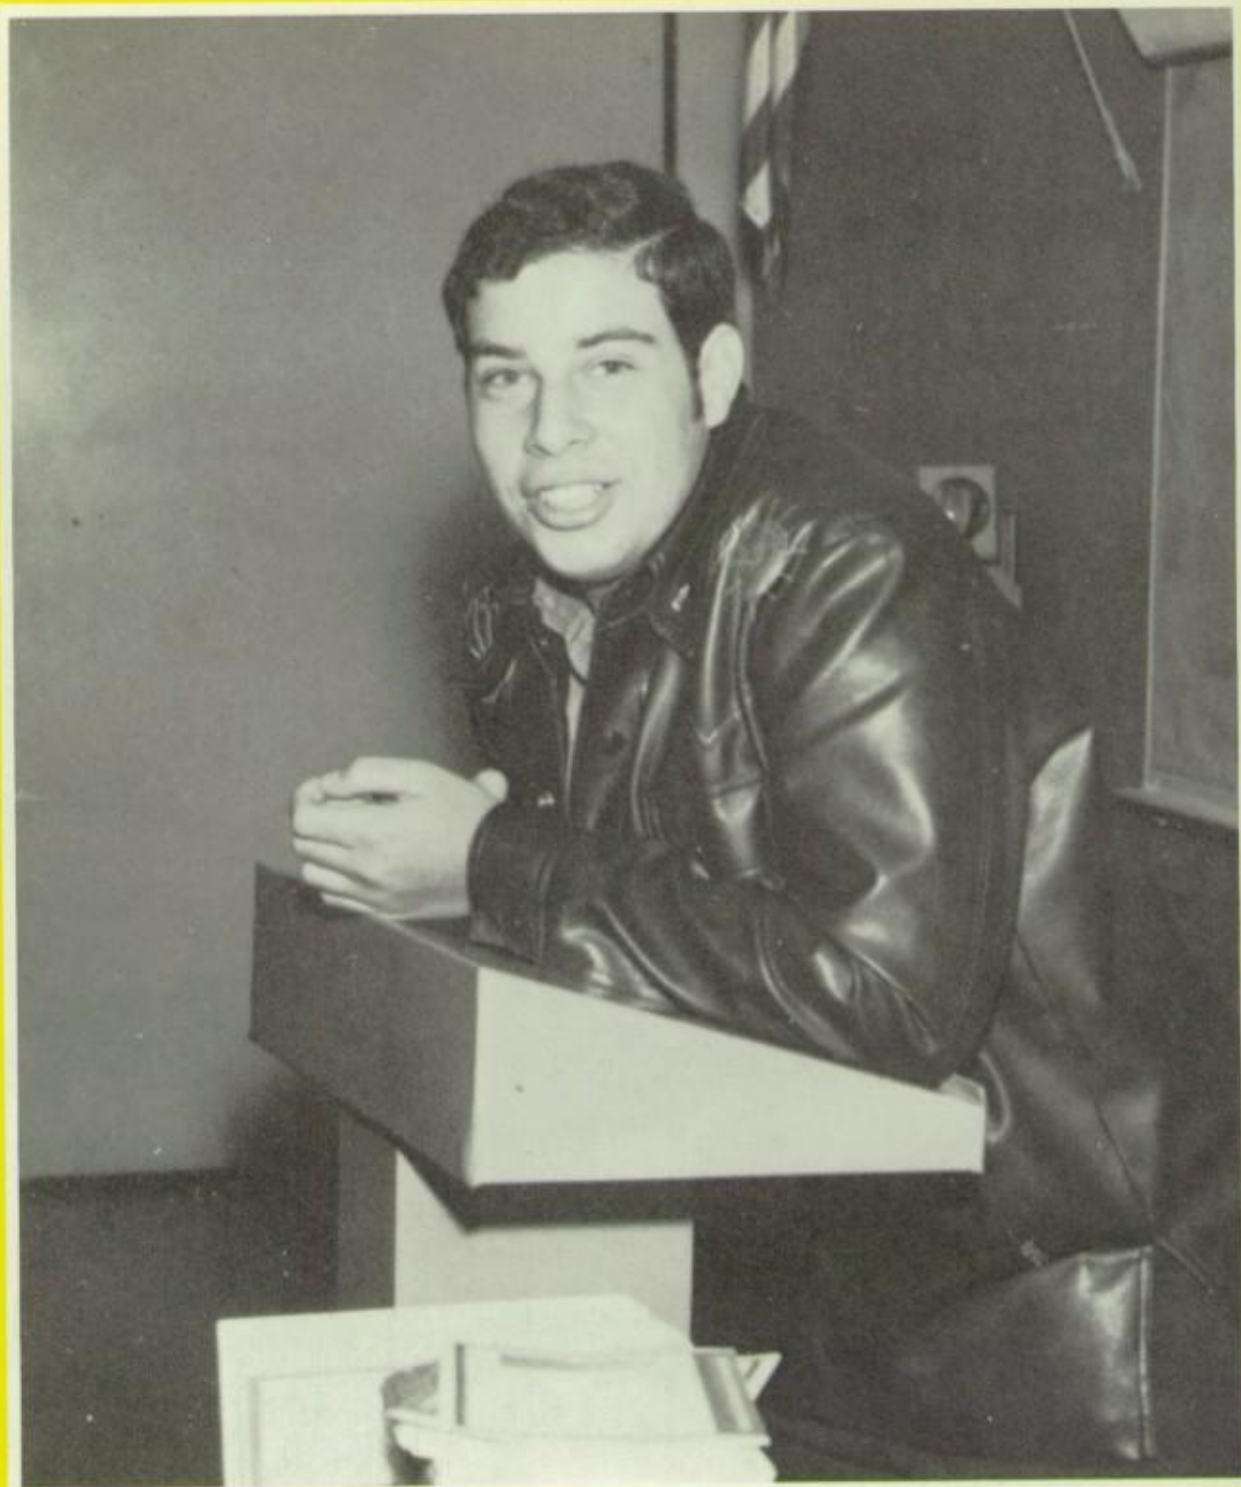

Getting involved
With time well spent
All will seem worthwhile
In reaching the end
This year is ours

ACTIVITIES ACTIVITIES ACTIVITIES

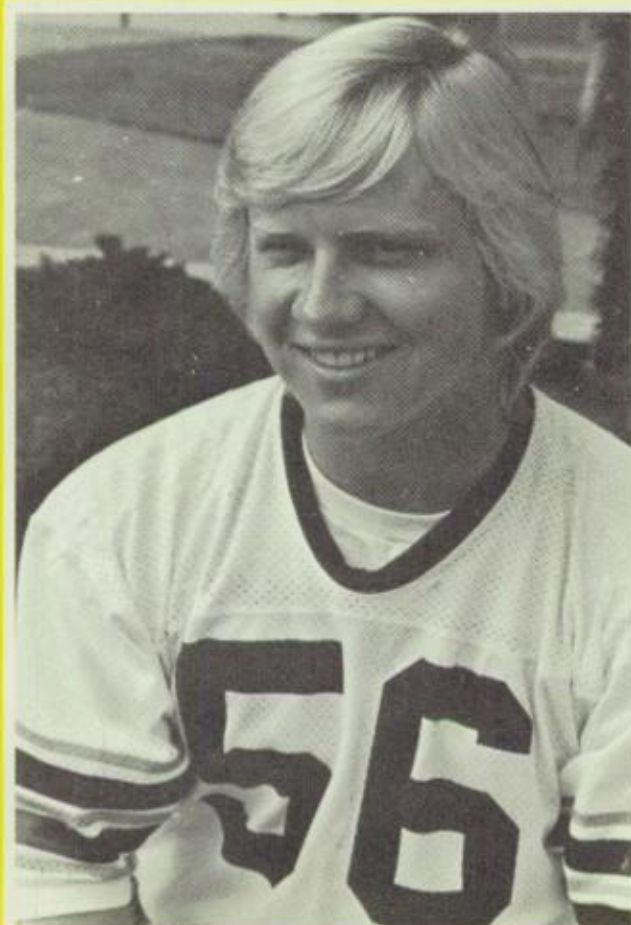

A.S.B.

A.S.B. Cabinet worked very hard this year to keep our school organized and the students happy. Under the supervision of the two advisors, Mrs. Jean Jerome and Mr. Bob McGuire, the cabinet was kept busy with A.S.B. sticker sales, peechee sales, running senate meetings and were especially busy for the big event of the year, our

Homecoming. When the Cabinet wasn't working at school they managed to get away on a field trip to Redlands University where they met with 66 schools to get new ideas. Being on Cabinet isn't an easy job but this years Cabinet made the hard job seem easy.

Annual

Another year but not just another annual. We really believe this is going to be marked as one of the best. There were the regular

arguments over decisions but we overcame them. We brought in all of our suggestions in the hope of making a great annual and we hit the jackpot this year.

Homecoming

As halftime grew near the crowd grew more and more anxious. It all started with 25 nominees out of which five were picked for the court. On that special night Katie Shively was chosen as the Homecoming Queen for 1976. It was a night no one could forget. Making that week special was the traditional Spirit Week. And to end that evening of excitement there was the Homecoming Dance after the football game.

Varsity Yell

While our athletes worked for top performance and perfection, our yell leaders teamed up to support them. Like the athletes they encouraged, they required not only skill, but coordination, timing, and group effort. The girls, led by Lisa

Kruse, proved very **successful** at summer camp in Santa Barbara and in competition.

1. Carla Scott, Lisa Kruse, Denise Sarrazin, Wendi Herbon, Roberta Tellesio and Tina Riley watch the football players warm up before the game. 2. Song

'76-'77 Songleaders showed their spirit at the pep rallies and **cheered** on all the athletes. With their high kicks and dance routines, our songleaders, led by Sue Reese, did very well at summer camp and competitions. One of their tasks this year was teaching the guys a routine for the traditional Exchange Rally. It was well worth all the work.

Flag

Cheering on the football field with their pinwheels of black and gold, the girls never ceased to show their

spirit.

The girls, led by Teri Roberts, did very well at summer camp and during the yearly competitions as well such as taking third place in an Arroyo competition. This year flag was honored with the privilege of performing at the Ram's game, which is something they can all be proud of.

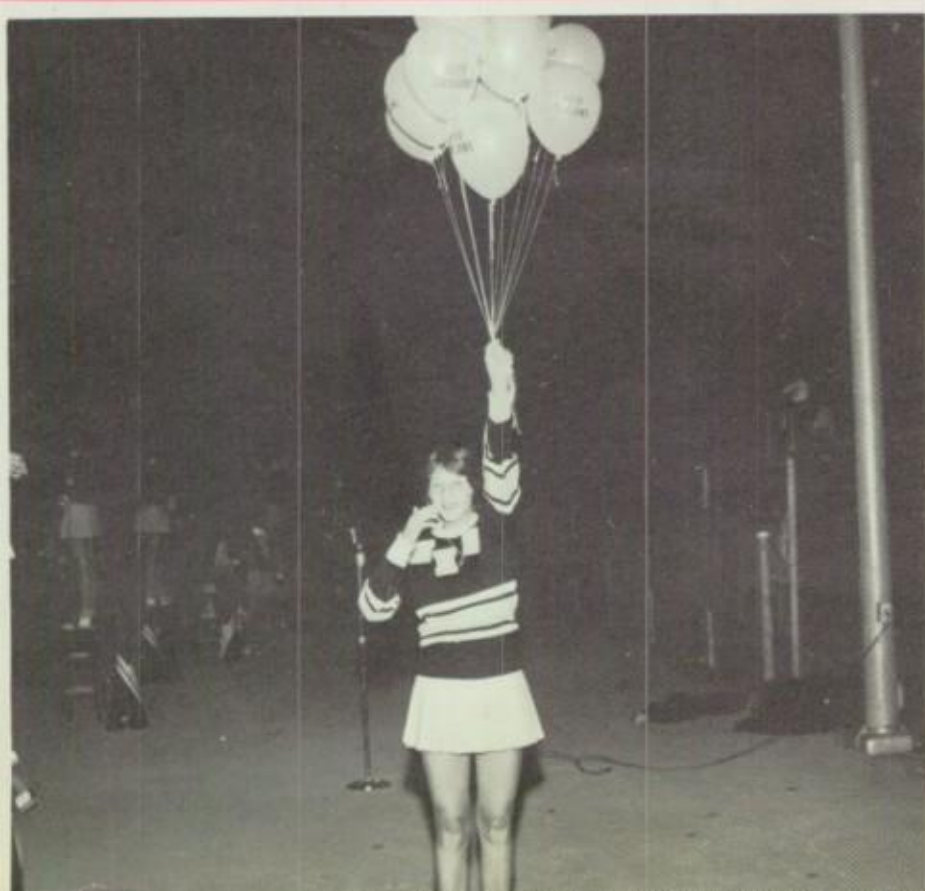

1. Keep up the good work girls. 2. Jeannie Reed and Anne Williams stop for a quick breath while performing at a football rally. 3. J.V. Yell

Being a J.V. cheerleader is one of the hardest jobs. Rushing from one game to another is not easily done, but the J.V. yell leaders

did it with great **Enthusiasm**. These girls, under the supervision of Melanie Kuran, put a great deal of time into the school such as performing at rallies and baking cakes and cookies for the guys. Being a J.V. cheerleader is a lot of work but most of all it is a lot of fun.

Banner

Practicing from morning till night, Banner proved it was all worth the work. They

astounded everyone with their near perfect routines. The girls, under the leadership of Carolyn Ernst, brightened up parades and brought home lots of trophies from camp and competitions. Keep up the good work!

Drill Team

Marching in parades and performing at halftimes is not an easy job. It takes a lot

of **practice** and a lot of group effort to look good. Our Drill Team, led by Captain Ginny Shrewsbury and Co Captains Laurie Sorenson and Cheryl Stephens, placed very high in many of their parades. It was a job done very well.

Rallies/Spirit Week

The rallies this year proved to be the best ever. One of the best loved rallies is the Exchange Rally. It provided the crowd with a lot of laughs as the football guys tried to be cheerleaders. Skits, Trojan of the week and class competition kept the rallies exciting.

During Spirit Week there were many contests ranging

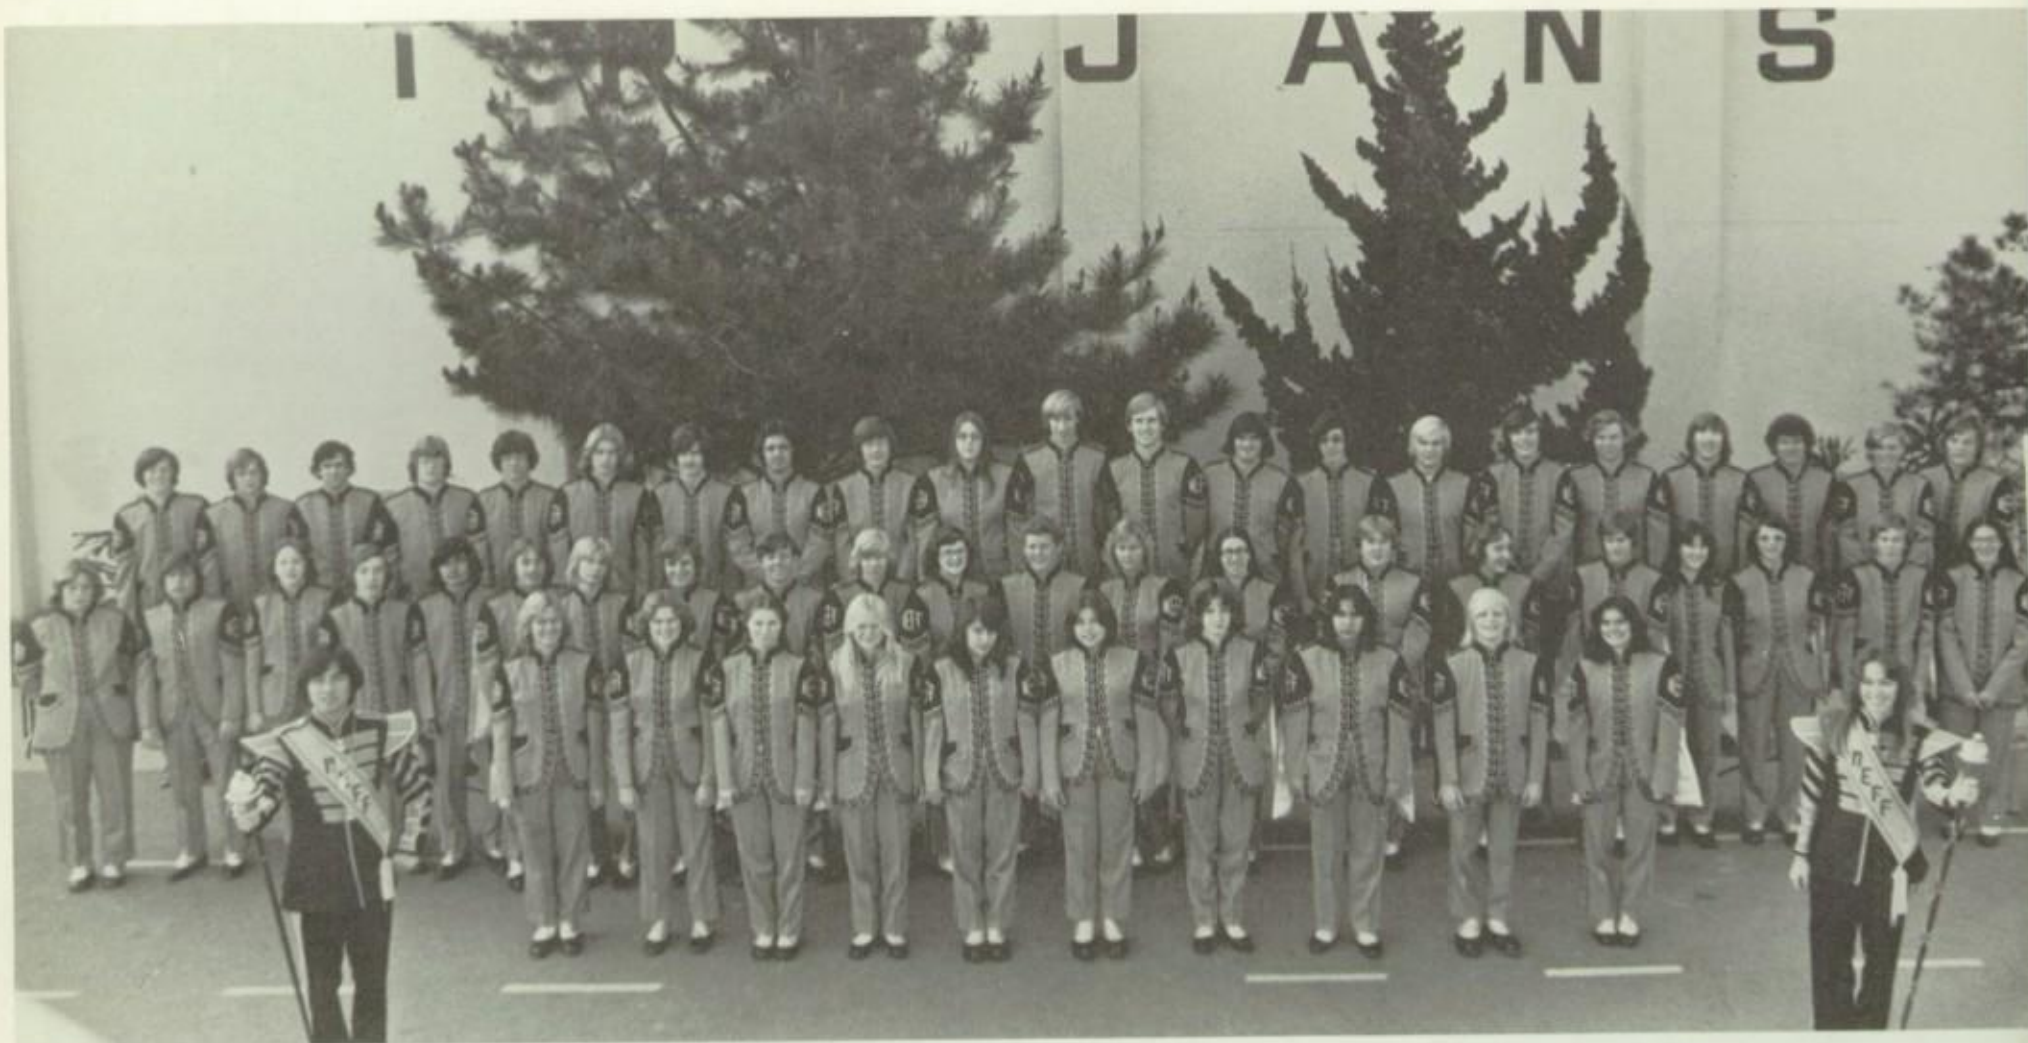

from **guzzling** rootbeer on western day to a cross country big wheel race on tourist day. Other days included Old Folks Day, Halloween Day and Trojan Day. A.S.B. provided prizes for the best costumes each day.

Band

If you like to hear and play music, then band is for you. This year the band had the honor of performing down Main Street in

Disneyland. That was an experience never to be forgotten. Along with all the fund raising events and many performances, they had time to place 4th in the Santa Monica Parade and place 5th in the Riverside Parade. Also the Drum Major Jim Figueroa placed 2nd in the Drum Major Competition at the Riverside Parade. Marjorette Sue Reese, who did a terrific job, placed 3rd in the La Habra Christmas Parade and helped brighten up the band with her perfect twirling.

Jazz Festival

On March 5th the Neff Jazz Festival went under way. Over 34 bands participated coming from as far as Palm Springs. The festival ended at 5:00 and at 7:00 there was a concert performed by the winners.

Bill Kirk, Festival Chairman, sized up the whole thing by saying, "We are seeing the most

outstanding high school musicians on the West coast." Everyone who saw them I'm sure would agree.

The Neff Jazz Band attended many other festivals and has done a very outstanding job.

March of Dimes

This year the students and faculty of Neff really showed their school pride and opened their hearts to a good cause. On March 6, 1977, 145 students and faculty walked, ran, or biked up to 40 miles for the National Foundation of the March of Dimes. This was the most participants from any school that participated. The event was highlighted by Neff's own Bob

McGuire **running** 17 of the 20 tough miles and walking the final 3. John Albright was one of the leading fund raisers biking 40 miles to raise \$260.00 by himself.

It's **not easy** being on this staff. They try to cover all the activities within and about the school. But sometimes it gets a little difficult when there are more stories than there is space in the newspaper. Hearts and Flowers

This year's Hearts and Flowers Dance was a great success for Girls' League as well for the students who went. The dance was held Saturday February 5 at the Holiday Inn in Fullerton.

The students danced to the delightful music of **organized crime**. The most exciting event of the evening was the crowning of the Queen and King with the crowns going to Tina Rosen and Randy Mills.

The Gazebo

The first production of the 1976-77 season was the hilarious comedy *The Gazebo*. This play centered on the lives of Elliot and Nell Nash. In the play Elliot plans to murder a blackmailer that will ruin his wife's reputation since Nell is a well known actress. What eventually develops from these plans is total chaos. Elliot ends up

murdering the wrong man, and has no place to put him. *The Gazebo* was a play that had everyone wondering what was going to happen next. With a surprise ending to climax the show, the *Gazebo* was a great choice to open the season.

M*A*S*H

From opening night to closing the motto for M*A*S*H was "Mash is a

Smash," and so true it was. The drama department's second play of the year was a complete sell out. Mash told the story of two very unconventional, unorthodox surgeons by the names of Hawkeye and Duke. How they turned the Mobil Army Surgical Hospital grounds into a play ground kept the audiences entertained and laughing each night. The cast was by far the largest of the year. With unique scenery, fine detail and great acting "Mash" was for sure a "Smash."

Diary of Anne Frank

The Diary of Anne Frank tells the story of two Jewish families

hiding from the Nazis during World War II. They lived in a secret attic above a warehouse and office. The play was taken from the real diary of Anne Frank. The play shows the changes that Anne had to go through while growing up. The cast and crew performed to sell out crowds almost every night.

Girl of the Month

A girl who is chosen for girl of the month has to be something **special.** These young ladies are selected monthly by the Girl's League Cabinet based upon their involvement in school and community activities. All the girls that have been chosen have maintained a high G.P.A. throughout their years at Neff. Congratulations and many thanks to these girls for all their hard work.

Girls' League

Being one of the busiest clubs on campus, Girls' League is kept active throughout the whole year with the help of their advisors Mrs. Lewellen and Mrs. Buzard. Due to an illness Mrs. Buzard was not able to complete this year so Mr. Minski took her place in January.

Girls' League started out with a Homecoming Mum sale, which was very successful. One of their other activities was the Talent show. Here are the winners for that night: Magic show - Jim Moore and Karen Sherer; Dancing - Tahitian Dance - Stacy Caslinger; Musical - North and Burgner Band; Pantomime - Tom Sherer; Best over all - Dirk Golden and his puppets.

Around Christmas time they had their traditional Candy Cane Sale and sponsored a Christmas Dance. Girls' League's biggest event was the Hearts and Flowers Dance which was held on February 5th at the Holiday Inn in Fullerton. To end off the year Girls' League planned the annual Sadie Hawkins Dance which was held in Neff Gym. And for a new end of the year activity they sold flowers for Mother's Day.

Art Club

Remember the Art Gallery Shows during snack and lunch? The selling of printed tee shirts, posters, pottery? Well the Art Club was in charge of all of this. The money they made went to activities like field trips to the Renaissance Fair. At the end of the year they honor someone with an Art

Scholarship. The President of the club is Robin Terry and the Advisor is Mr. Friedrich. The main purpose of the Art Club is to get the students involved with art.

Thespians

Hard-work, extra-effort, and good times made this year's Thespian Club

an **exciting** one. Not only did the Thespians put on four great plays, but they had time left over to see a taping of the Carol Burnett Show and Chorus Line. The Thespians are a select Club. You must have a total of 10 hours of work and 2 of these must be for technical work. The Thespians definitely did themselves proud this year, for they proved once again that they are one of Neff's funniest clubs.

Kalagathians/ Golden Circle

Being an active participant in Girls' League. Kalagathians also take time out for **fun.**

Some of the activities they participated in were the fashion shows, candy cane sales, punch sales, serving at school functions, and making decorations for the Hearts and Flowers dance. The President, Michelle Krotinger, did her best to make sure all activities ran smoothly.

Golden Circle is strictly a club for senior girls who have achieved a high G.P.A. and have been greatly

involved in school activities. This year's President is Anita Moos, and the Advisor of the club is Mrs. Blume.

Campus Hostess

Being affiliated with Girls' League, Campus Hostess is one of the most

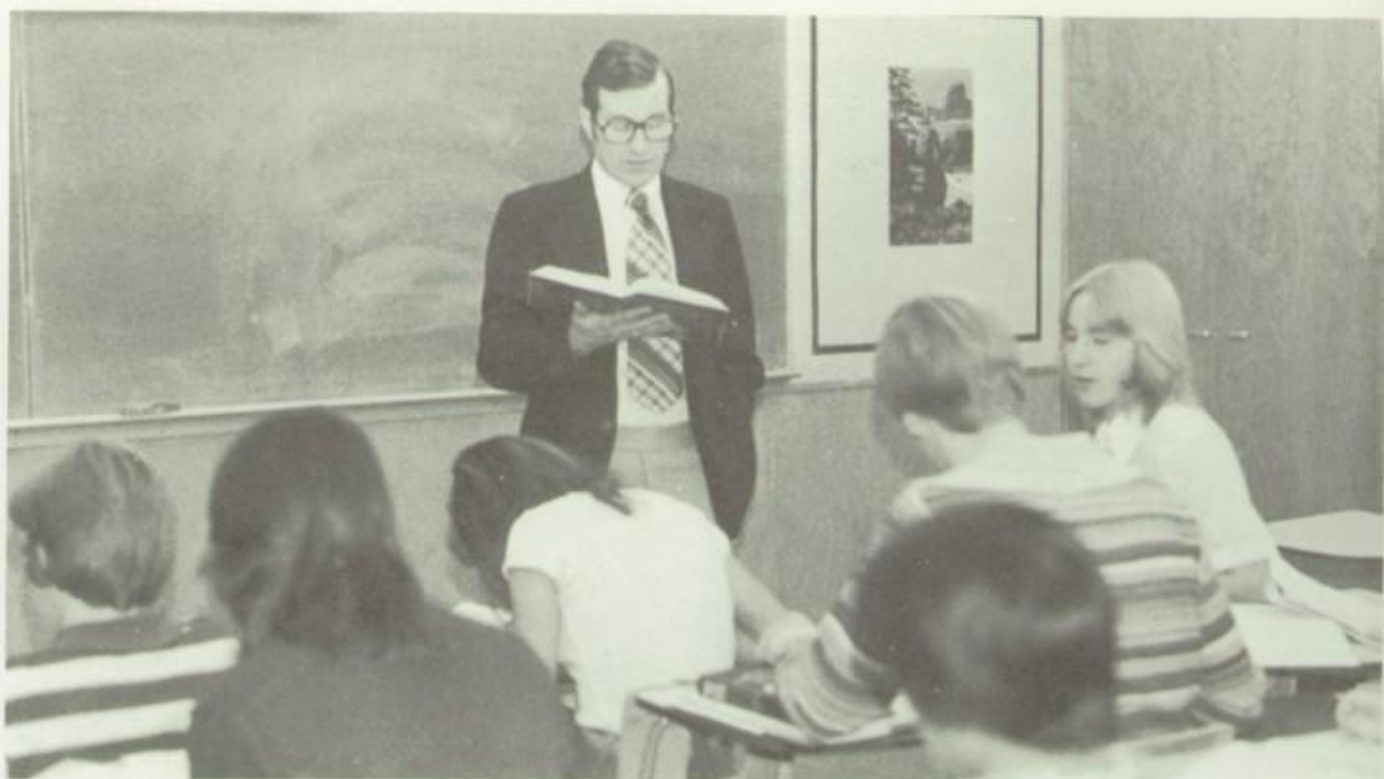

active clubs on campus. Some of their activities included the fall and spring fashion shows, candy cane sales, serving at the Football Banquet and Talent Show, and also selling punch at the dances. The President of Campus Hostess, Arlene Luna, has done her best, along with advisors, Mrs. Midyett and Mrs. Stephenson, in making this year's club the best ever!

Journalism / A.A.C.C.

If you are interested in the production and making of the "Troani" or the "Trojan Shield," Journalism is the class you've been

searching for. They learn to make layouts, write copy, and captions, crop pictures, and also the basic fundamentals of putting together a newspaper. It is from this class the members of next years yearbook and newspaper staffs will be chosen.

The A.A.C.C. (Advanced Algebra Country Club) is one of the

newest accredited clubs on Neff's Campus. It takes place second period. The A.A.C.C., under the leadership of King David Carlson, was created to promote interest in mathematical subjects and to provide a medium for further research and study in all areas of mathematics.

Mazatlan / Hawaii

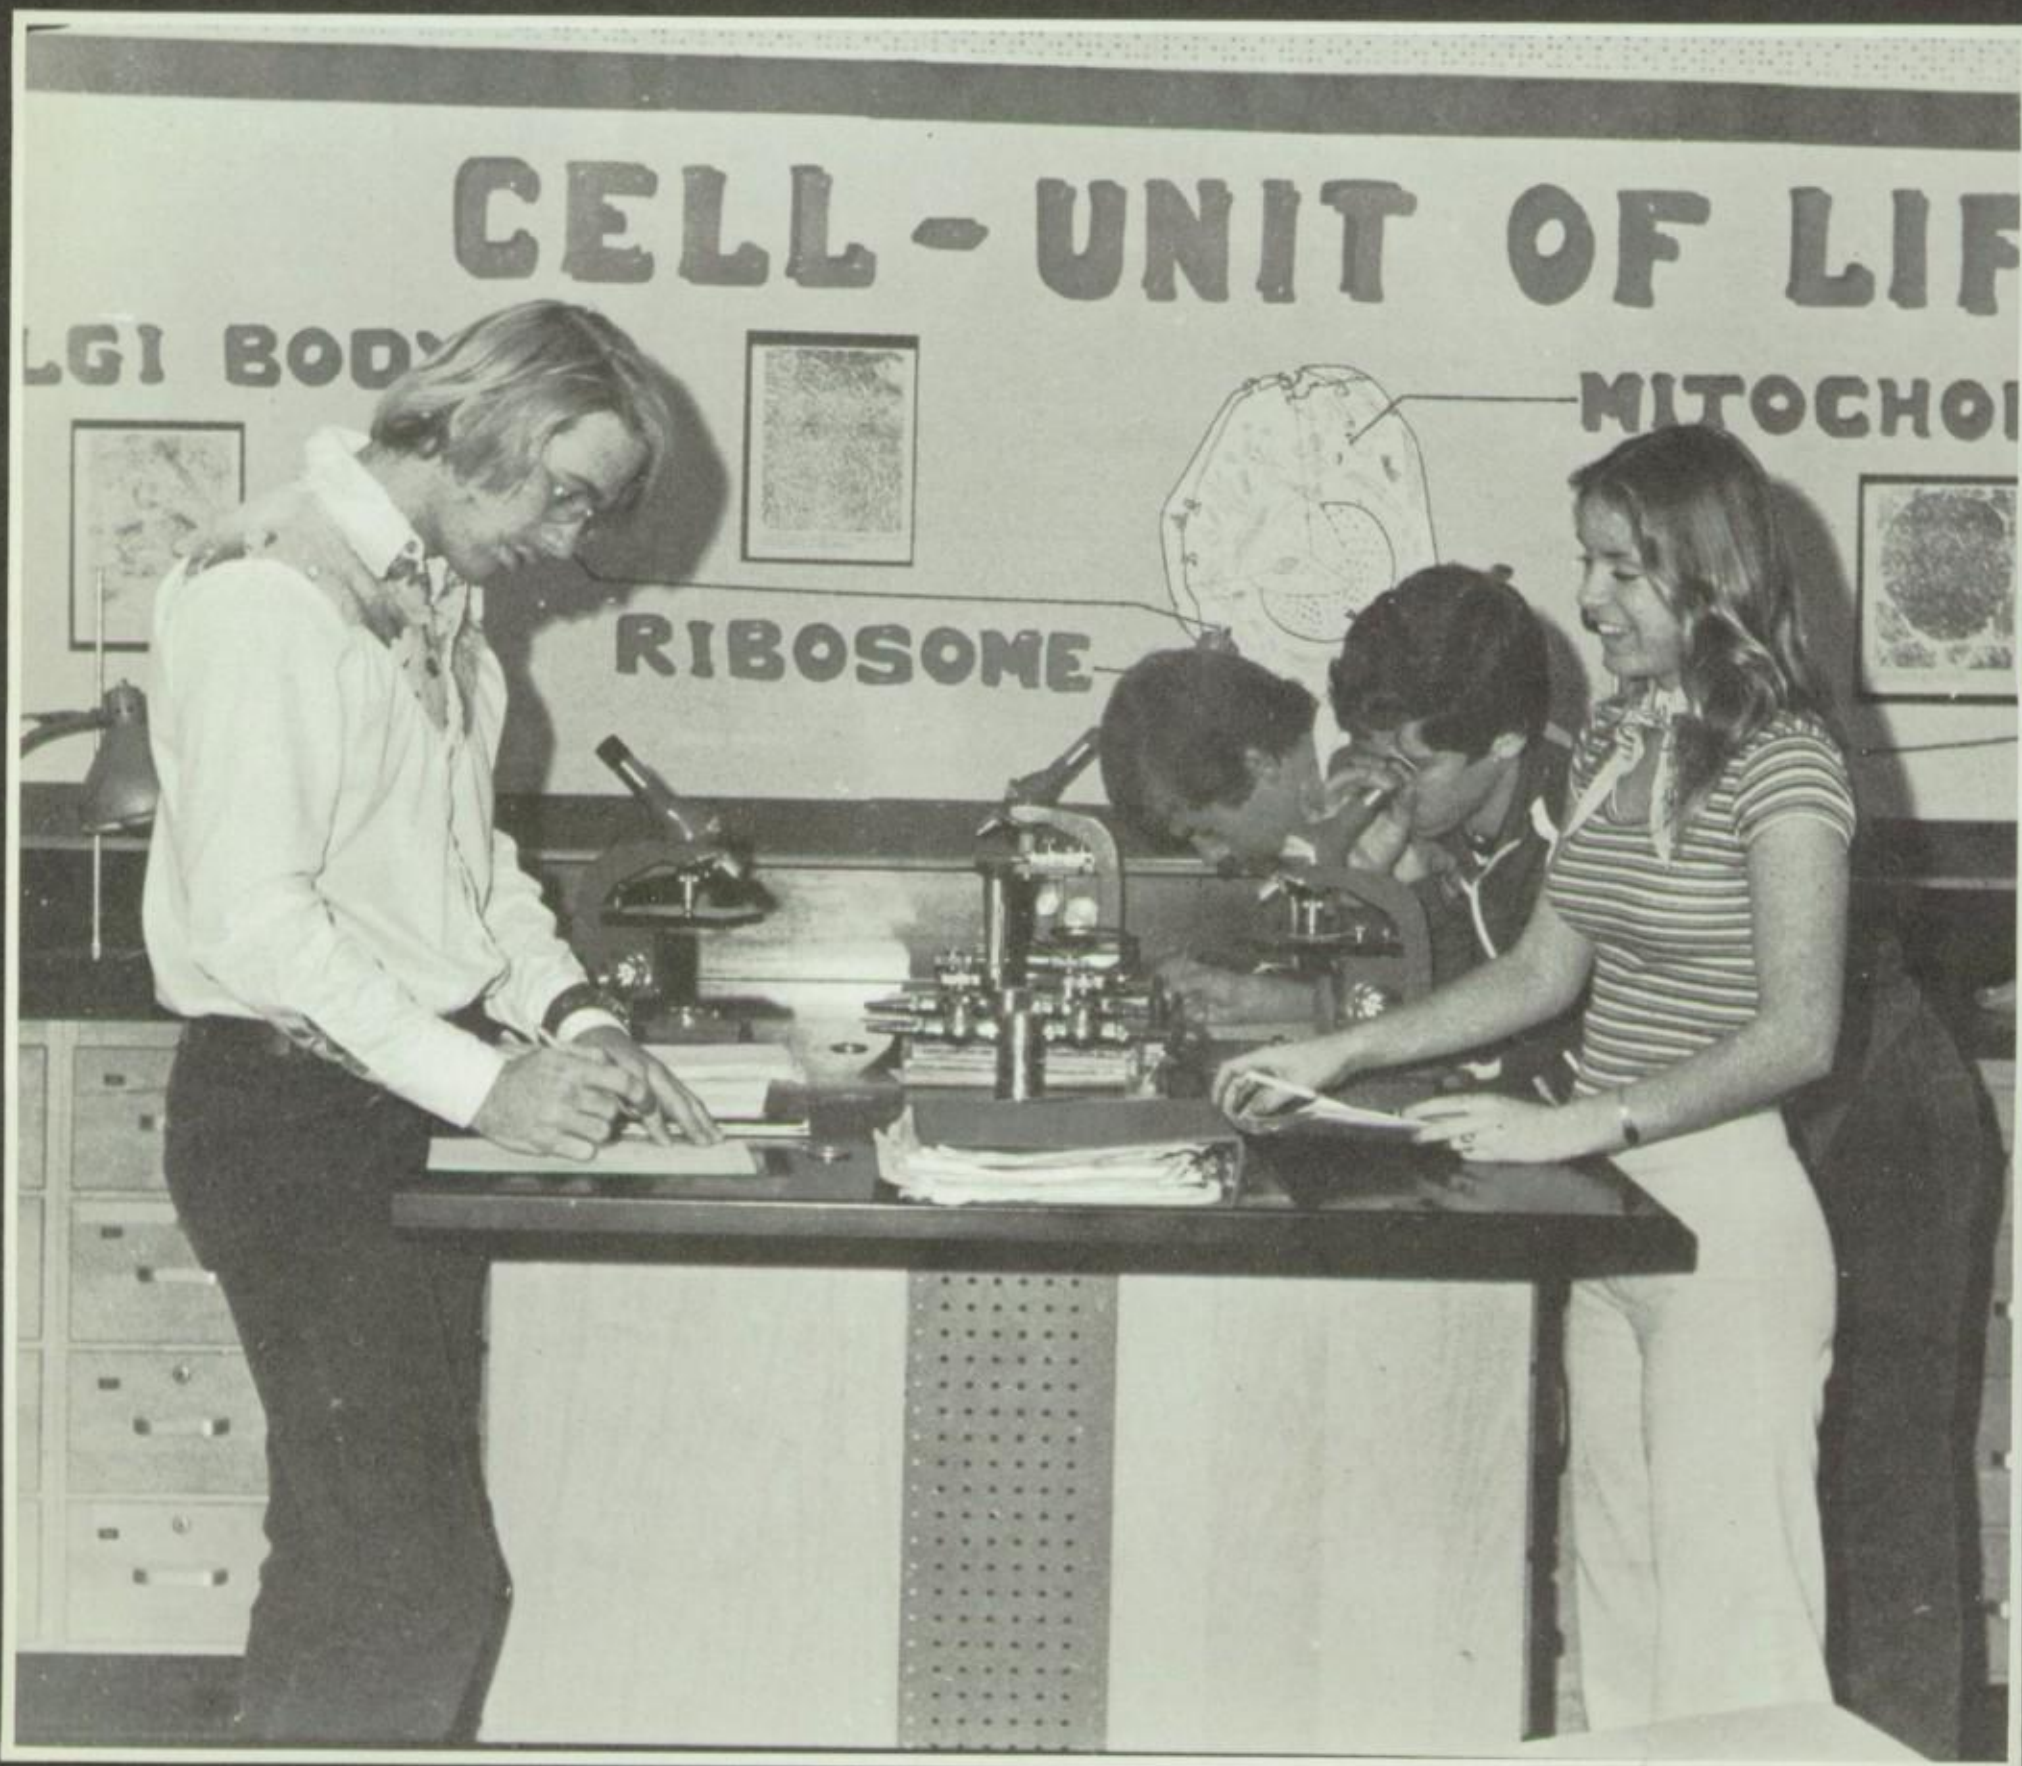

This year Neff students had the opportunity through two privately sponsored non-school related groups of going to Mazatlan or Hawaii. This is the first year there has been a trip offered to Hawaii, and through the A.B.C. School District the group spent seven exciting days and nights camping along the beach of Hanuma Bay on the island of Oahu.

The Mazatlan trip, organized by Mr. Gomez, again proved to be a big success. The group left from L.A. and landed in **sunny** Mazatlan. The students filled their days and nights seeing the sites, going horseback riding, playing tennis and surfing. The daring ones even attempted the Parakite ride. Once again the Mazatlan trip proved to be an unforgettable experience.

Mexico Staff: Pete Gomez, Jon Miller, Bette Brunner, Sue Tisdall, Donna Schipper, Geroge Robillard, Barbara Samuels, Mel Lewellen, Rissi Lewellen. Students Mazatlan '77': L. Ackerson, J. Anderson, C. Seniors

After thirteen years of waking up at the crack of dawn, or sometimes an hour or two late, the year that has meant so much to these people has finally come! They are 1977's Senior Class.

There was a certain feeling being projected around campus. A somewhat anxious, yet unpredicted awareness. The Senior

Class has been dreaming and **fantasizing** about this year and now they can remember and cherish it.

Many memories were created when they participated in various activities throughout this year. Seniors try out their talents at the Senior No-Talent Talent Show. Other activities which are enjoyed by Seniors only are the Senior Breakfast, the All Night Party at Wonder Bowl and the giving of Senior Gift to the school.

Through all the previous bake sales, car washes, dances, and even pizza sales, Seniors have always excelled to their fullest. Now the time has come to use their abilities on future dreams.

Juniors

Under the dedicated hard work of Mr. Joseph Roussell and Junior class President Cathy Gutierrez, the Junior class was kept very busy this year raising money for the big event of the year, the Junior-Senior Prom. This year the Prom was held at the Hollywood Paladium on June 4, 1977. It was an

outrageous evening for all who attended.

The fund raising activities included a run-a-thon, the annual pizza sale, car washes throughout the year, and a car raffle. The Juniors have been very successful this year and proved a little work by everyone can go a long way.

Sophomores

The Sophomore class organized the first dance of the year. Seeing it was such a success they willfully sponsored another one, this time with a theme of "The Fifties." Remember when you saw a bunch of envelopes with pink and blue plastic rings floating around campus, that was the eager Sophomore class ordering their class rings. Soon there was a display of

proud hands and smiles. It was a good beginning for the spirited class of 1979. They went on, under the direction of advisor Mrs. Painter and President Sherrie Holt, succeeding in the selling of spirit ribbons and class tee-shirts.

Freshmen

Mass confusion surrounded the incoming Freshmen as they made their way through the first trecherous day of school. But uncertainty and confusion were soon forgotten as the year swiftly passed by. New faces became familiar ones and short-cuts to classes 1 through 6 were readily learned. Soon they were to establish places of identification on campus.

Mr. Peter Wright, the Freshman advisor, challenged the class of 1980 to raise one **thousand dollars.** The whole school participated in helping the freshmen meet their goal in various fund raising activities such as car washes and dances.

Varsity Football

The Neff Trojans started the season on the wrong foot. Under the direction of a new coach, Mr. Mooshagian, the Trojans lost a closely fought game against cross-town rivals, La Mirada. Neff lost to the Matadors by one point,

which seems to be becoming a tradition.

Then a week passed and the Trojans were to battle the Gahr Gladiators. The Trojan defense totally stifled the Gahr offense, letting by only 76 yards. Lance Ackerson made the only touchdown on a quarterback keeper from the two yard line. Late in the first half, Jim Figeroa added a field goal to widen the lead and cinch the game for the Trojans.

Marc Camp proves why he's one of Neff's Golden Trojans.

The next game brought the Trojans up against the Artesia Pioneers for another

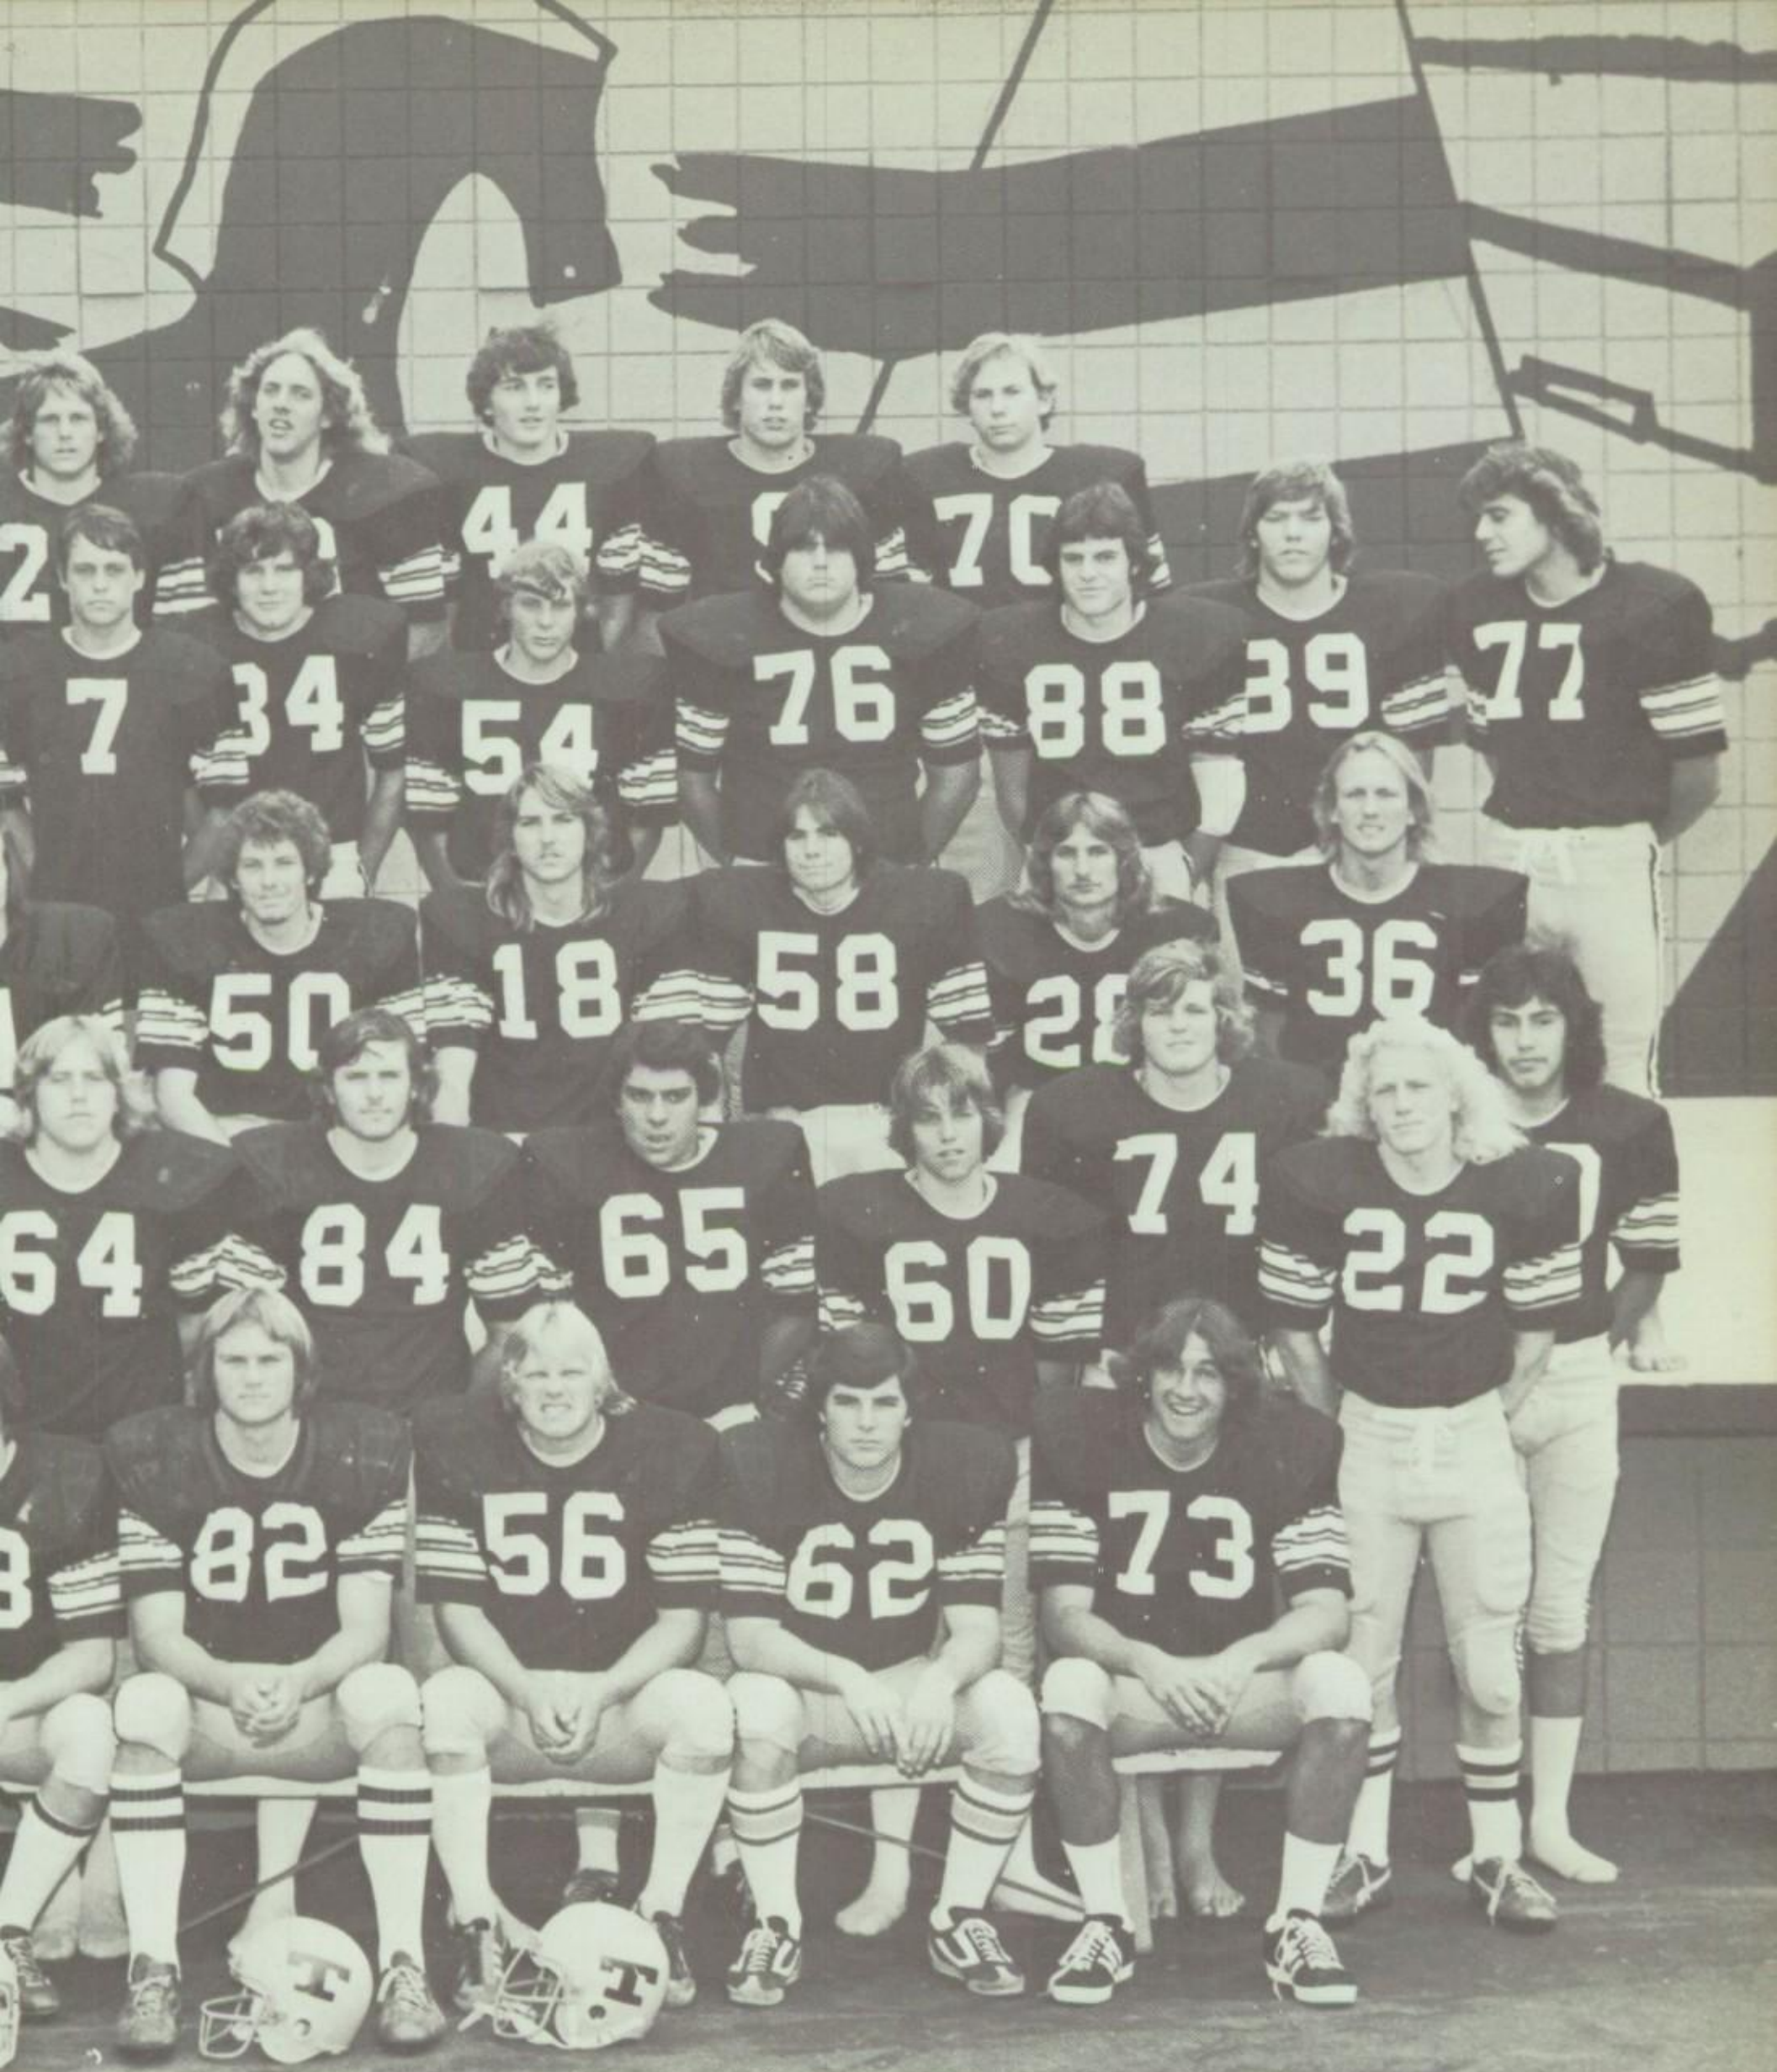

victory. Neff took advantage of every scoring possibility deep in Pioneer territory. The Trojans let Artesia score only one touchdown late in the game.

The second league game put the Trojans up against the Excelsior Pilots. The highlight of the game was when Mike Sumner darted through the Pilots defense with a 70 yard punt return for a touchdown. This was Neff's second shutout of the season.

Jack Silvey and Steve Monderine plan their strategy for the game.

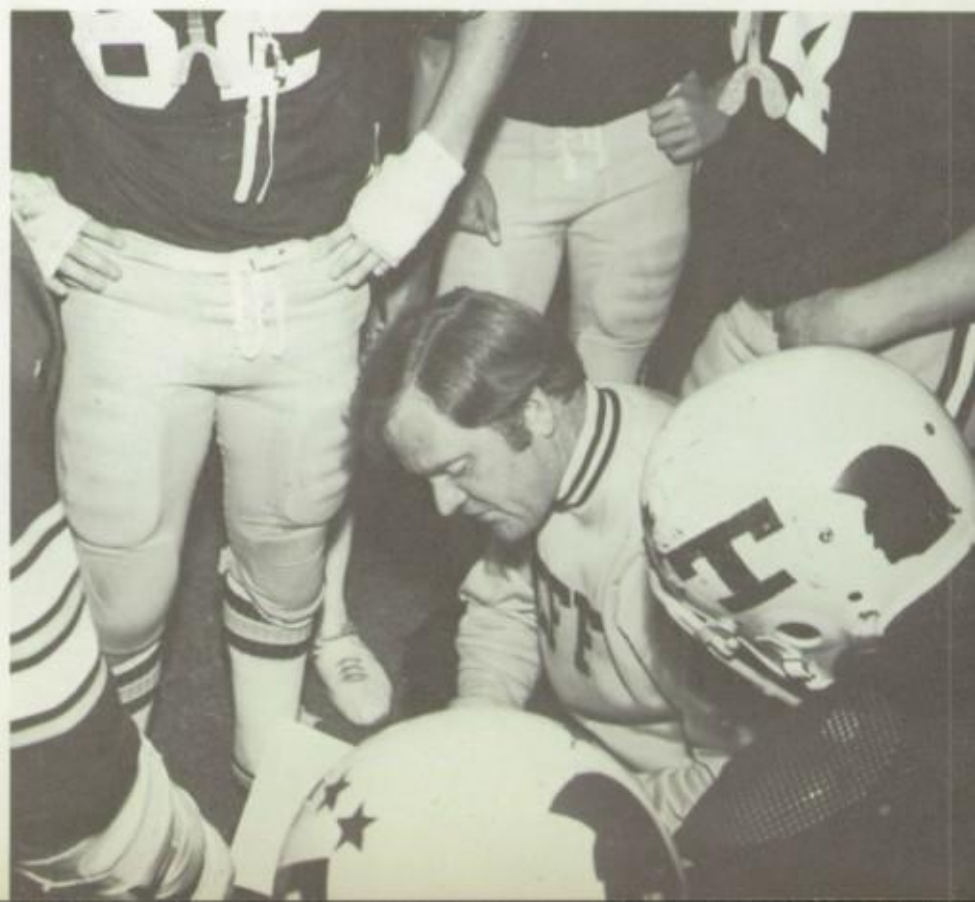

Varsity Football

Another week passed and the Trojans found themselves up against their toughest opponent so far this year, the Paramount Pirates. The Pirates were favored to win the league, but the Trojans had different thoughts. They held the Pirates to only one touchdown. A fine game was played by Jack Silvey, who knocked

down 3 passes and picked up one **fumble**. This victory over Paramount gave the Trojans an overall record of 4-1.

The Trojans were the only team to have won every game until they met the Glenn Eagles. This game was an especially important game to the Trojans because of our new coach Mr. Mooshagian, who had previously coached at Glenn. The game was closely fought but neither team could out score the other and the game ended in a tie.

5

6

The Trojans couldn't seem to put things together against the Mayfair Monsoons. Each team scored only once. With only 8 seconds left in the game, Jim Figueroa had a chance at a field goal which would have won the game for the Trojans, but a

breakdown in the line let a Monsoon defender slip in and block the kick. For the second week in a row the Trojans had tied.

The Trojans were totally bewildered by the Norwalk Lancers. The Lancers had no intentions of letting the Trojans go to the playoffs. The Lancers scored first, but Roy Warnock flew through the Lancers line and blocked a punt then fell on it in the end zone for a touchdown. The Trojans could only score one touchdown and a field goal which was not enough to beat the mighty Lancers.

The next game was for the championship. Both teams were tied for first, but the Trojans did not win. Due to

injuries the Trojan offense made many changes in positions. Steve Mullinax did an admirable job as quarterback for Lance Ackerson. The Trojans couldn't put it all together and lost their last and final game.

This was the first time since 1971 that Neff did not receive the title of Suburban League Champs. It proved to be a short season for the players. For the seniors it was their last game, but for the juniors they have a chance at winning next year.

J.V. Football
hard work

With alot of hard work and determination the 1976 J.V. football team had an outstanding year out scoring their opponents 122-41 with only three schools scoring against them. Ending the year with a 7-2 record our J.V. team really put it together for a super-successful year.

1. Valverde fires upfield for a Neff receiver. 2. Rodriguez escapes a flock of Eagles. 3. Everyone waits for Valverde's signal. 4. Neff waits for the snap from Glenn's center. 5. Joe Sanchez shows his form.

Varsity Cross Country

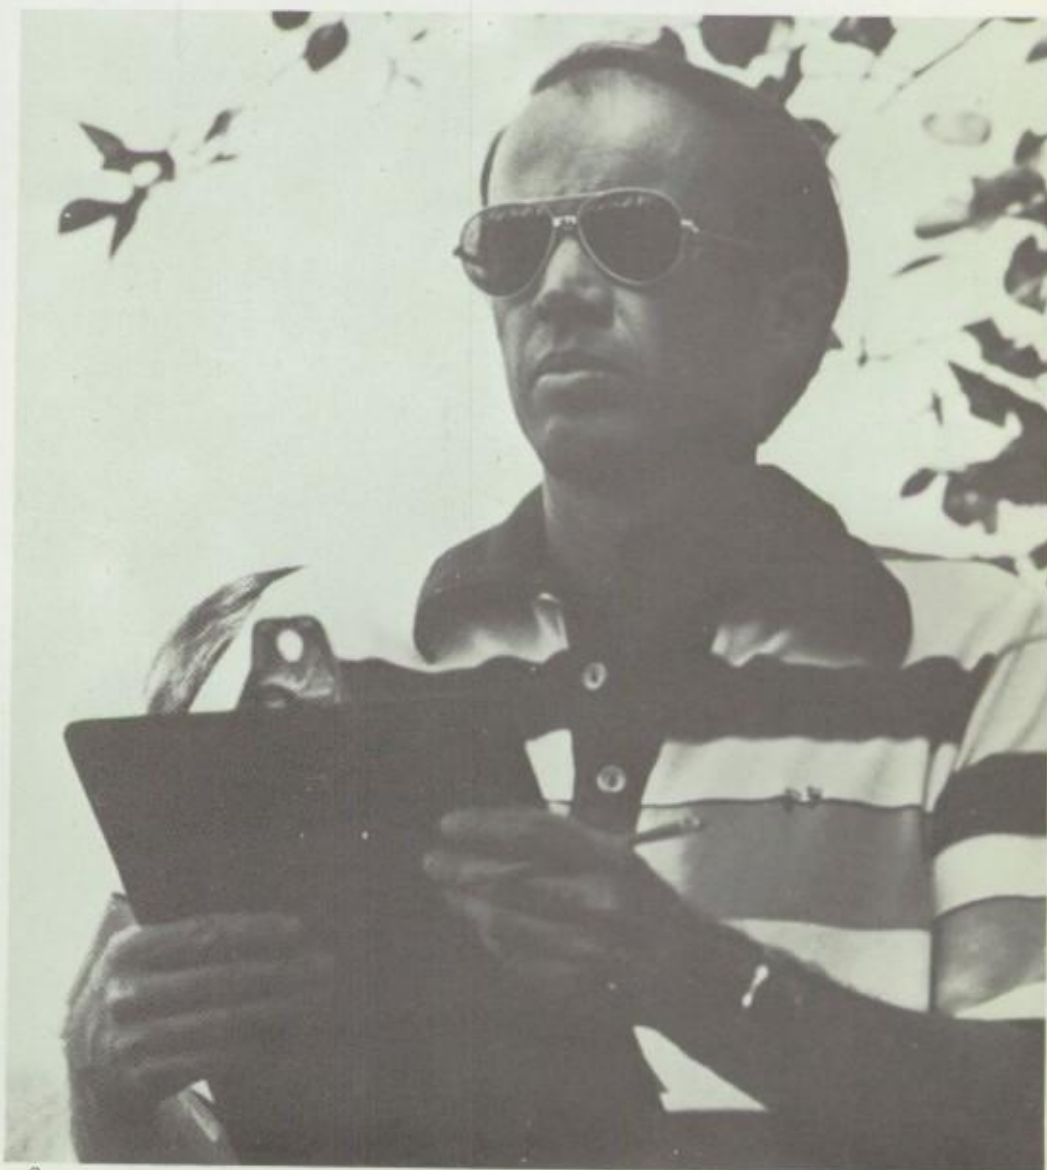

With three new tough schools, Bellflower, Paramount and Norwalk, coming into the Surburban League, the Troy runners really had their work cut out for them. With a big loss to Artesia, the Trojan runners chances for league and CIF were slim. But with pride and

determination the black and gold bounced back and took the District Meet with Ken Carpenter leading the way. Big wins over Norwalk, Excelsior, Paramount and Glenn managed to place the Trojans fourth in League.

Girls' Cross Country

This is the first year the girls have had their own Cross Country team. For being such a young group the 1976 team has

done **surprisingly** well.

Under the supervision of Coach McGuire the girls took first place at the Norwalk-La Mirada District Meet. The Freshmen took first place at the M.S.A.C. Invitational.

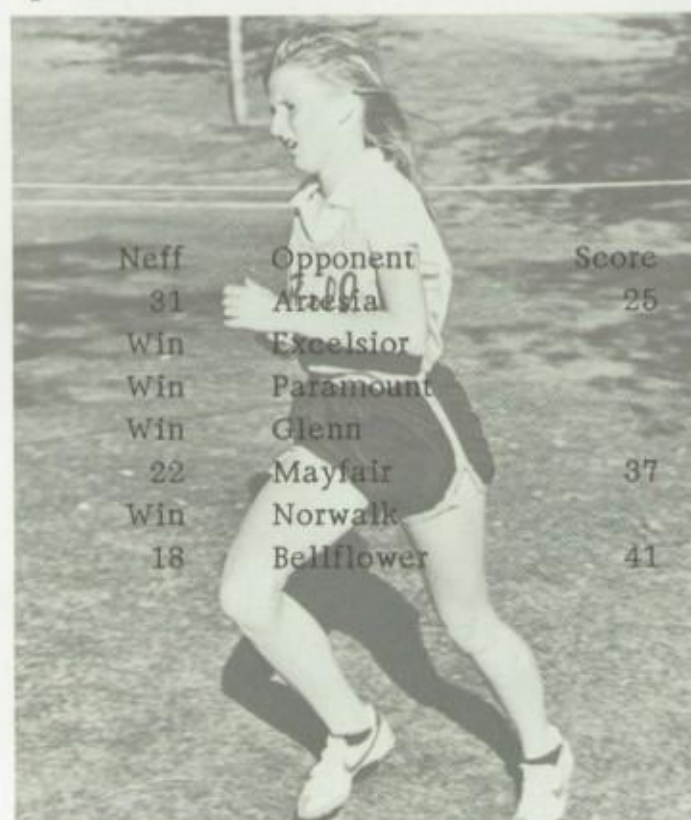

Strong running earned Carla Carpenter the Most Valuable Runner award and Cathy Goodrow the Most Improved Runner award. Three girls placed high in the League Standings. They are Carla Carpenter placing third, Irene Ramos fifth, and Cathy Goodrow sixth. The number two runner on the team, Carie Hensley, was unable to compete in that meet due to injury.

These and all the girls on the Cross Country Team should be commended for a super job!

Girls' Tennis

As a whole the 1976 Girls' Tennis Team didn't have a very winning season. In spite of this some key players really

excelled. Chosen as the Most Valuable Player on the Varsity Team was Linda Yniguez who played so well she qualified for C.I.F. Chosen as the Most Improved Player on the Varsity level was Teresa Piper. She, along with Kelly Beach, were number one in the League in doubles play.

For the J.V. Team, coached by Debbie Powell, the Most Valuable Player was Lindy Mignot with Kathie Myers as the Most Improved Player.

Varsity Basketball

The 1976-77 Varsity Basketball team did not have what would be called a winning season, but

they showed that the Trojans **never** give up.

Neff started the first round of league play with a win against the Glenn Eagles. It was five games later before the Trojans could put it together to beat the Excelsior Pilots and the Norwalk Lancers. At the end of the first round the Trojans were 3-4.

The second round of league put them up against the Glenn Eagles again. This time it was not the Trojans who won. Bouncing right back, the Trojans beat Artesia. This was

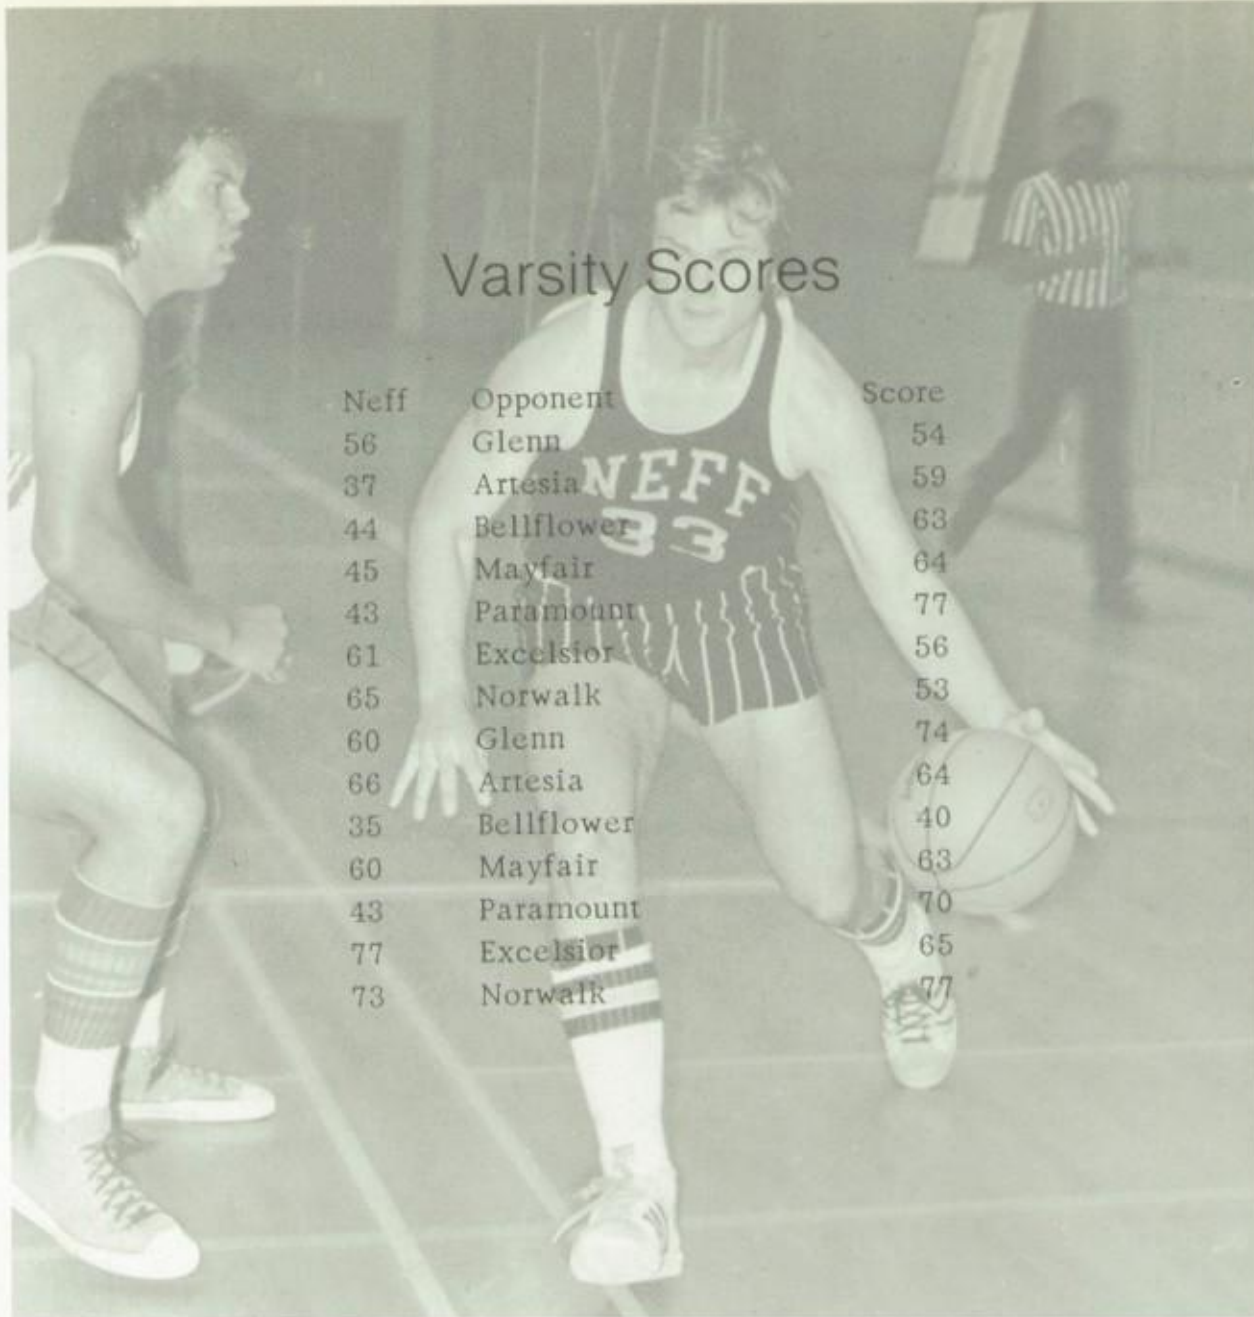

probably the **highlight** of the year when coming from behind Neff won in overtime by two points. Neff lost the next three games, but they were closely fought. The next game brought them up against the Excelsior Pilots. It was a very well played game by all. The Trojans outscored the Pilots by twelve points. The last game of the season against Norwalk was very close up until the last second, but the Trojans couldn't seem to get quite enough points to win.

There were wins, losses, triumphs and disappointments, but the Trojans put forth an effort that we can be proud of.

J.V. Basketball

This year's junior-varsity team was a little more fortunate than the varsity squad.

Coached by Roger Williams, the Trojans opened league with a win against Glenn. The next game brought them up against Artesia. They

fought hard, but couldn't manage to accumulate enough points to win. The Trojans came back in the next game to beat Bellflower. Neff completed league with eight wins and six loses. All in all this proved to be a good year for our junior-varsity team.

Sophomore Basketball

Under the capable leadership of Coaches Alfred Uribe and Rick Harmon the 1976-77 Sophomore Basketball Team has played a season in which all who have participated have benefited.

Although the team's season record has not been the best in Trojan history it is still one that we can look back on with pride. This

season has been one of **growth** and development for the young Sophomore team, a team that has potential to be very successful.

Named as the Most Valuable Player was the teams leading point-getter, Steve Mullinax. The Most Improved Player of the season was Mike Chancellor.

Freshman Basketball

The 1976-77 Freshman Basketball Team has finished out their season with few wins, but close losses. The team's record shows

nothing of the **great advancement** and improvement made by it's inexperienced members.

Coach Crippen is optimistic about the team's future and feels that the members of the 1976-77 Freshman Basketball Team have better seasons ahead.

The Most Valuable Player named by his teammates was Don Adams with Paul Young chosen as the Most Improved Player.

1. The team gets last minute instructions from Coach Crippen. 2. Don Adams attempts to move the ball. 3. Joe Metro jumps high for a shot at the basket. 4. Trojans jump for possession of the ball. 5. G.I.A. Volleyball

The 1976 Varsity Volleyball Team has proven that teamwork is essential to having a winning group. Experience showed through with many returning players, most having advanced from the J.V. team the year before.

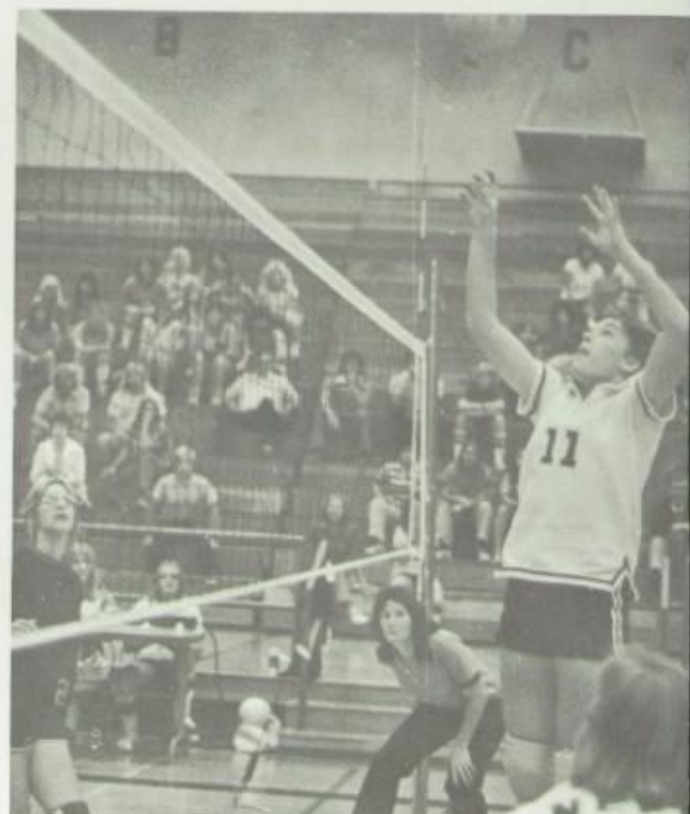

Their strategy of teamwork made the team Suburban League Champs and led

them on to the **quarter
finals in C.I.F.**

It is evident though, that without the competent and efficient coaching of Sue Tisdall at the Varsity level and Colleen Cross at the J.V. level there could never have been such successful teams.

Named by Coach Tisdall and her teammates as Most Valuable Player on the Varsity Team was Becky White. She was also named the Co-M.V.P. of the All-League Team. Also on the All-League Team was Joan Marschke with Robin Swickard and Katie Shively receiving an Honorable Mention. Named as the Most Improved Player on the Varsity team was Missy Newgent. She has developed into a fine dinker and spiker.

On the Junior Varsity level Ginny Cohen was named Most Valuable Player because of her leadership. Named Most Improved Player was Sue Marschke.

Varsity Wrestling

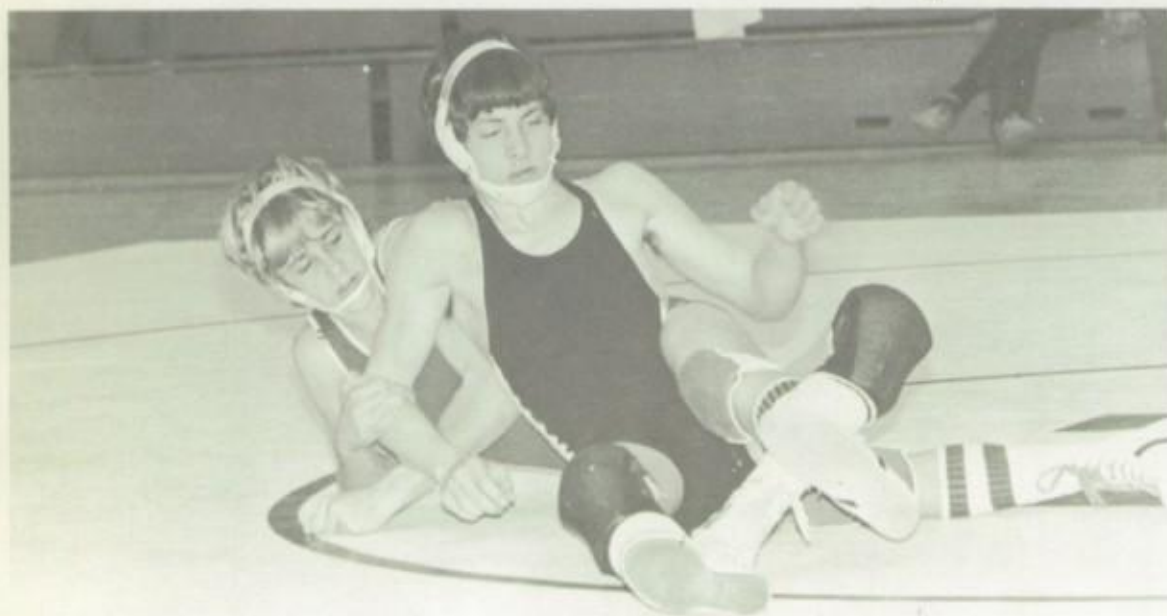

This year's Varsity team, coached by Dick Meartz, really pulled through a tough year. After tough defeats against Artesia, Paramount and Bellflower, the Trojan wrestlers really had there

arms full but with great Trojan pride, individually the Troy wrestlers did great. Led by team captain Nelson Pai they came back taking 7 medals in the Neff Invitational. This year's squad had several outstanding wrestlers such as Keith Kinkaid, with the most points; Joe Lipp; Rick Bassett; Todd Gomez; Greg Kalte; and Dean Byers with the fastest fall. Coach Meartz hopes for even a better team next year.

J.V. Wrestling

This year's J.V. team, coached by John Mele, had about as much luck as the Varsity did, with tough opponents in league and lack of depth in the team, the Troy wrestlers placed fifth in league.

Individually the Troy wrestlers did well led by team captains Jim Berklite and Ron Torres. Jim Berklite led the team in scoring with 31 points and went undefeated in league. Closely behind Jim was Doug Cooper, with a record of 5-2 and 25 team points. Others fanning out the team are Tom Cario and Tom Layton.

G.I.A. Basketball Varsity

The 1976-77 G.I.A. Varsity Basketball Team has played out a **fantastic** season!

Under the supervision of Coach Sue Tisdall all the players have showed great improvement in their abilities.

Leading the team with points scored were Joan Marschke, Pam Dolan and Theresa Piper. Also playing super well were Kelly Beach and Becky White.

With having so many juniors at the Varsity level and with such a fine J.V. squad we can look forward to having an equally good team next year.

With fine shooting from Vicki Dack and JoJan Hieda and great defensive rebounding from Cindy Reed, the 1976-77 G.I.A. J.V.

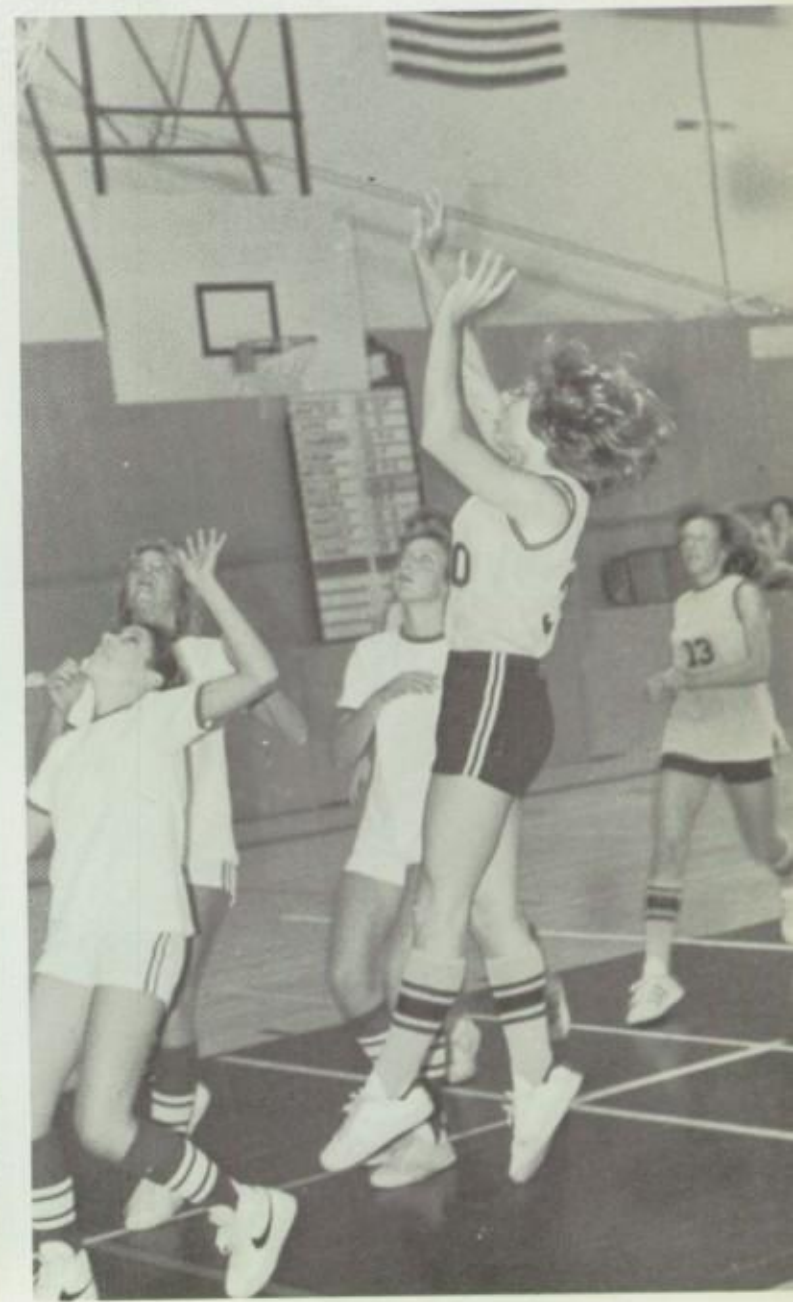

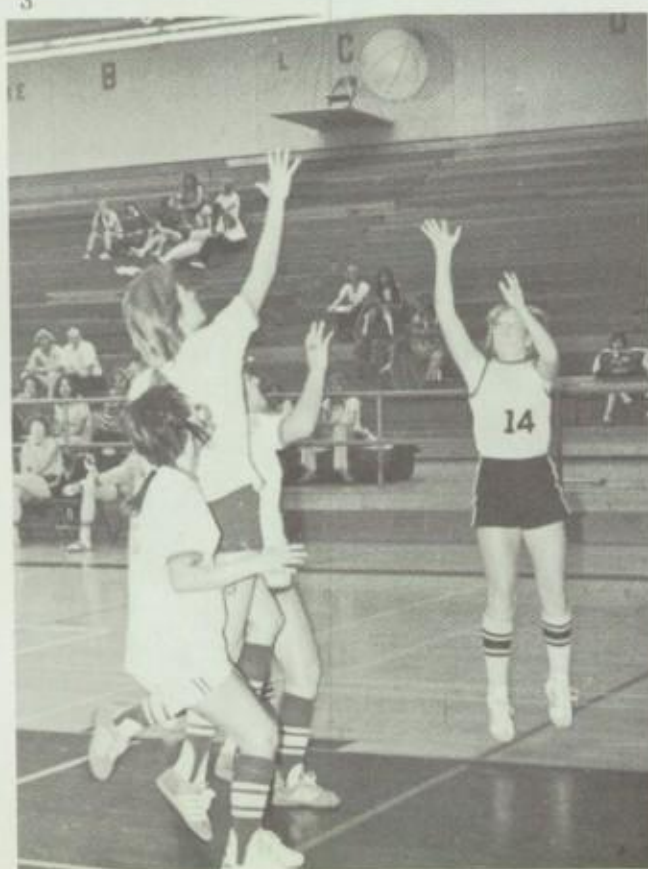

Basketball Team played a **super** season.

Coaching the Junior Varsity squad for the first year was Terri Houser. With her guidance and supervision the team made great advances in every facet of strengthening their abilities and should have many players being put up to the Varsity level next season.

Varsity Baseball

The 1976-1977 Varsity Baseball Team has had a very successful season. Each member has benefited from their involvement with the team.

Under the guidance and supervision of Coaches Hank Frese and Tony Corinti the team was led to **many wins** and few, but very close, losses.

With key playing from Steve Chambers, John Hachey and Kevin McClain and with every member working together, the entire team has played a season in which they can be very proud and one they should be congratulated for!

Varsity Track

In Neff's eleven years of track it has produced 137 wins and 32 losses, producing 19 titles and 8 seconds of a possible 32. With just four returning seniors this year, the task of keeping this

excellent record was difficult. This year's Track relied on many sophomores to add depth and score needed points. This year the strength was in the distance races led by Ken Carpenter, Robin Mitchell and Alan Takemoto. The sprint group was led by sophomore Kevin Ostler and first year out senior, Wayne Jones. In the hurdles, Donovan Lee, Mike McMullin and Rick Smith led the way, while Don Weaver took care of the pole-vault going for one of the oldest school records of 13'6". The weightmen were led by Joe Lipp and Jim Sorano, while Glen Buhr, Bill Morrison, and Rod Terry handled the jumps.

Girls' Track

This is the first year of Girls' Track. In the previous years the Girls had to compete at the J.V. level against faster and stronger guys. But due to the tremendous turnout of girls, a girls' track team was formed in our league.

The girls were **determined** to run their fastest and jump their highest. Carrie Hensely led Neff with her outstanding talent for running, and Sharon Ramos showed excellent form as she ran sprints and jumped hurdles. Due to the enthusiasm showed by all the girls, they ended up with a very rewarding season.

Frosh-Soph Track

This year's Frosh-Soph Track Team was a very exciting one. Led by Jim and John Prondzinski, Greg Henkel and John Lizardi in the distance races, Neff really showed their strength. In the sprint group Pat Langdon led with Kevin Ufholtz backing him up. The field events were led by Pat Phelan and Jim Whitney in the shot and discus; Jim Boyer and Jim Basset in the pole vault; and Don Alexander in the jumps.

Tennis

Tennis for 1977 was a year in which the Varsity strengthened their abilities and the J.V. tried theirs out. Both teams had good

team spirit which added to their success. Coach Gomez both praised and criticized his players, helping them to become the best tennis players possible. Congratulations tennis "you were a smash."

Golf

Golf is a game of patience, coordination, and skill and is in its 10th year at Neff under the coaching of Lonnie McConnell. The varsity Squad had a very

successful season, led by Ken LaRoche and Bob Tait on Varsity for their second year. The J.V.'s also had a good year. Both of these two great teams kept Neff the defending champs of the league.

Bob Tait hams it up on the golf field during the varsity squads practice.

Soccer

This year's Varsity soccer team was coached by John Gowan from Biola.

Being in a **tough** league the Trojans did quite well. The Trojans had a strong offense led by team captain Nathan Hart, Charlie Wurzler, and Alex Mesko. They maintained a scoring average of 3 goals per game. On defense Steve Jocaben did an admirable job as goalie.

This year's J.V. soccer team was led by team captain Alan Mader, who played goalie, and defensive player Fritz Vise. Being a young team this year, the J.V. squad really faced a tough season. Going against tough teams such as Excelsior and Mayfair the Trojans really had their work cut out for them. The highlight of the year was tying Mayfair, one of the top teams in league.

G.I.A. Softball

With girls rapidly gaining recognition in the sports world, softball is no exception. These girls work long hard hours to produce a winning team and their efforts were proven worthwhile. With all of the Varsity players and most of the J.V. players returning, experience was the contributing factor that helped these girls work

together for their **ultimate** goal, a winning season. But besides all that talent on the field you still need a devoted coach to coordinate all that talent and Miss Sue Tisdall is that coach. Considering all the players and the super coach this year promises to be the very best.

ADMINISTRATION ADMINISTRATION

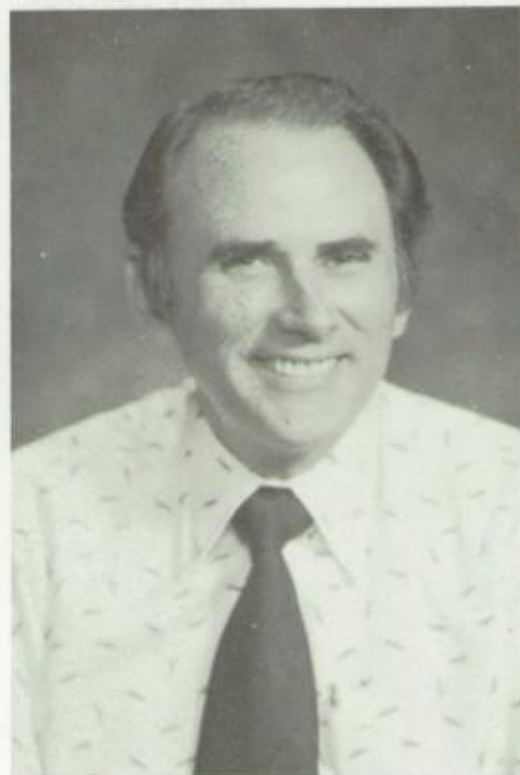

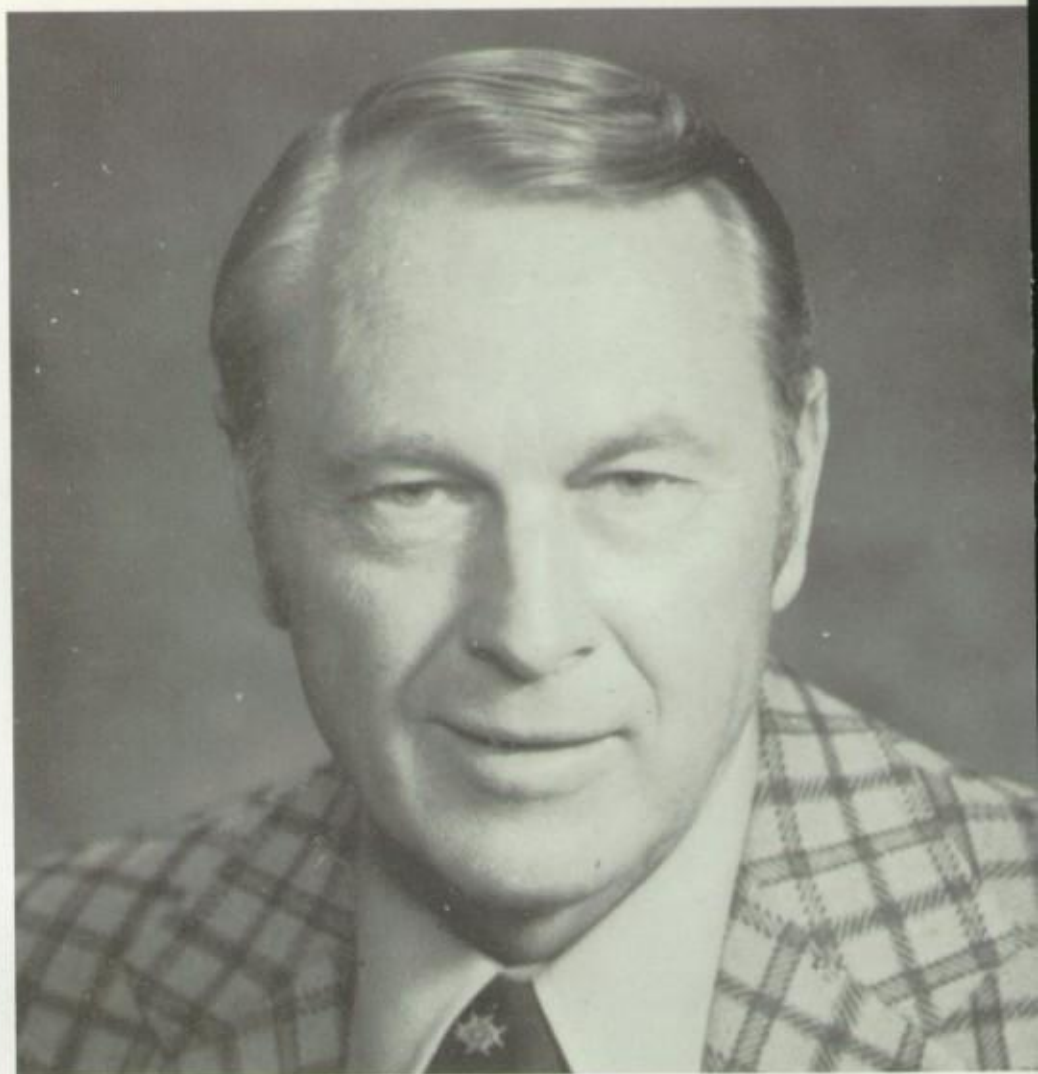

Principal/Assistant Principals

This is Mr. Billinger's second year as our principal. He received his Master's at U.S.C. and has much experience in his field being principal at Norwalk High for three years and counseling and teaching for 15 years. He also coached Varsity football at Excelsior.

Mr. Stan Thomas and Mrs. Virginia Morgan help Mr. Billinger hold the Fort together as our two Assistant Principals.

When this **dynamic** couple get together they can really get the ball rolling. Team work is needed to help solve the problems of Neff from day to day.

1. Mr. Thomas tries to discuss some important matters with Secretary, Becky Wilson. 2. Reading Coordinator, Mr. Allen, speaks with Mrs. Morgan about the Reading Lab. 3. Mr. Herd and Mrs. Miller take time out for a picture.

1

Mrs. Becky Wilson, Principal's Secretary.

Mrs. Kay Solem, Assistant Principal's Secretary.

Mrs. Ce Sansonetti, Assistant Principal's Secretary.

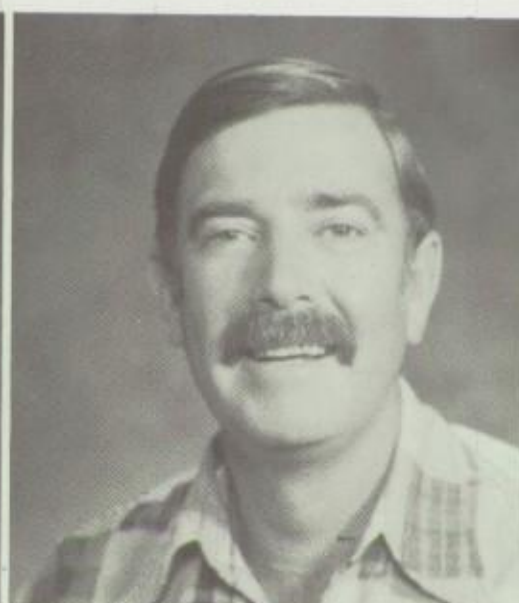

Counselors

Mr. Fitzpatrick, Mr. Herd, Mrs. Miller, Mr. Ternquist, and Mr. LeGrue are five people whose main task is to keep us happy. They are harassed during the first days of school, forgotten when not needed, and admired

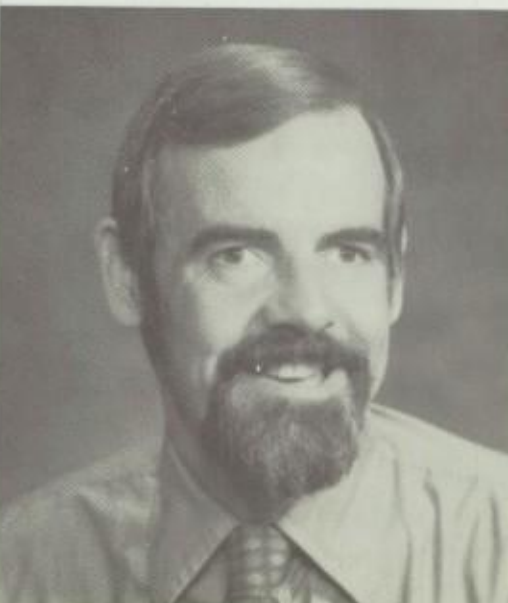

greatly when they solve a catastrophe. Our Counselors help us through our years at Neff, making sure we get what's best for us as individuals. We thank them for their work and marvel at their bravery.

Mr. Ed Fitzpatrick, Senior Counselor.
Mrs. Julie Miller, Junior Counselor.
Mr. James Herd Sophomore Counselor.

Mr. Ron Ternquist, Freshman Counselor.

Mr. Dick LeGrue, Career Counselor.

Secretaries

What would we do without our secretaries and clerks? With their desks piled high with work, they help organize and keep everyone from going crazy. Who else could answer the phone, take minutes, type a letter, and help a student all at the same time? They are very dedicated to

their work. These wonderful ladies are not **stingy** with their time. They always make the time to listen to what students of Neff have to say. With these ladies backing our counselors, managing the money and keeping attendance records straight how can we go wrong?

1

Mrs. Gladys Base, Attendance Secretary.

Mrs. Joy Davis, Finance Clerk.
Mrs. Sharlene Gillis, Work Experience Secretary.
Mrs. Louise Haggins, Braille Transcriber.

Mrs. Mildred Miller, Counselors Secretary.
Mrs. Dona Moseley, Attendance Secretary.
Mrs. Ann Powell, Data Secretary.
Mrs. Mildred Rhodes, Library Clerk.

Mrs. Mary Specht, Attendance Secretary.

Mrs. Juanita Wagner, Counselors Secretary.

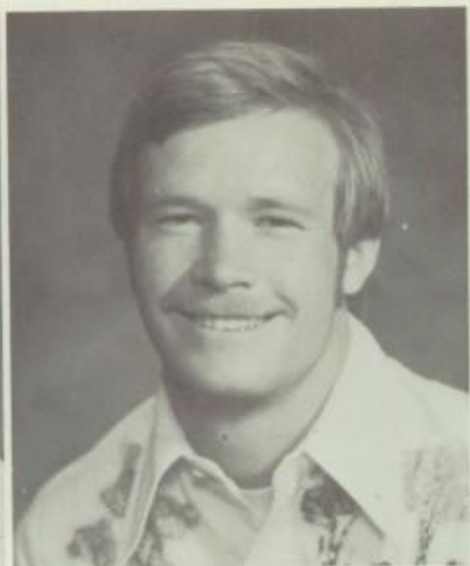

2

Staff

A group of hard working people can't be forgotten. Security does their best to keep us in school and out of trouble. Our cafeteria work-

ers are **determined** to do their best preparing food. Our custodians have the job of keeping our campus clean and of keeping everything in working order. Our locker attendants do their best to keep everything running smoothly.

1. Keep smiling, Mrs. Powell. 2. Attendance Secretary, Mrs. Specht, keeps very busy. 3. Ruth Randolph. 4. Dan Gardener. 5. Shirley Gray. 6. Clare Sherman, Lupe Castro, Mae Pierce, Sara Tafoya, Marie Ridges, Mary Martin. 7. Roger Eye and George Dunn take a break. 8. Roger Eye, George Dunn, Bill Harmon. 9. Lee Lombardo.

Faculty,

YOU KNOW YOU'RE A TEACHER
WHEN . . .

. . . You can say "BE
QUIET" loud enough to
quiet down a stadium of people.

. . . Your students begin to think
for themselves; to pick up related
facts and unrelated facts and try to
fit them together.

. . . You can go 'one to one' with
forty people at the same time.

. . . You try to convince the girl
in the third row that the boy in the
fifth row isn't as important as $X^2 \times 2^x = 34$.

. . . you help students realize
that all stars shine, not just the
bright ones.

Faculty

That special teacher is the one we all seem to remember the most. Sometimes they are the ones who are appreciated the least. It may have been that band-aid that saved our blister in the third grade, or that last ounce of encouragement in a

lecture that made you come to class. That special teacher will give their all to try to teach you something that you can't learn in books . . . responsibility, understanding, confidence, and patience. Qualities like these are all found in our teachers at Neff. They've all got different ways of expressing their talents and all are special in their own way.

THANK YOU

I'd like to take the time now to thank all the people who helped us throughout the year to produce a successful yearbook for 1977.

Thanks to: Taylor Publishing Company, Watson Studios, our photographers Alan Takemoto, John Hachey, Kenny Carpenter, Danny Galvan, and Rick Smith.

I would also like to thank, Mr. Lee and his photography classes, especially Darrell Rosen for his hot ski photos, and Mr. Miller for seeing us through.

A special thanks to the entire annual staff for meeting all of our deadlines: Becky, Jeri, Barbara, Denise, Vicki, Val, Lynn, Traci, Jenny, Kim, Marcia, Carla S., Mary, Jim, Carla A. and especially Linda and Audrey who gave me this ¼ page.

But most of all I'd like to thank you the students and faculty here at Neff, because you are what this book is all about. I hope this yearbook will bring back good memories for all because . . . This Year Is Ours.

HEY DAVE,
HOW DID YOU
LIKE BEING A
"FRESHMEN" It's
BEEN REALLY ~~fun~~ fun in
SMITH'S AND in "STONE FASES"
CLASS. NEXT YEAR WE'LL BOTH
DO GOOD ON THE B.B. TEAM. YOU BETTER
HAVE A REALLY GREAT SUMMER LEAGUE TEAM
OR MAYBE A "DODGER" GAME (NOT AN
WELL I'M RUNNING OUT OF THINGS TO SAY SO...
(COME ON CHICKEN)
SEE YOU AROUND DAVE

Steve
Gulman

Dave,
It's been pretty fun
knowing you this year.
Smith's class has it
been great hasn't it.
Dodgers are the best.
See you next
year. Jerry Shine

Dave,
I haven't really known
you much this year, but
I'm glad to have you
in some of my classes. Have
a great vacation, (if you
can find time out of football)
I'll see ya in September!
Jeru Blackstock

DAVE,
GLAD TO HAVE YOU
IN ALGEBRA, EVEN THOUGH
YOU ALWAYS COPY OF ME,
BE SURE NOT TO EVER PLAY
VOLLEYBALL AGAIN SEE YOU
NEXT YEAR.
Steve Bassett

DAVID,
Chambers I
guess I'll see
you next year
and maybe in summer
at school when your in
basketball & I'm in football.
See you when I see you, and
don't think your better than you are
Jerry Tuzila

TO ONE OF
THE SMARTEST
KIDS IN THIS SCHOOL.
BASEBALL WISE. MAKE IT
WERE LUCKY THE REDS WILL
CATCH THE DODGERS. THAT WOULD BE
AS GOOD AS THE ANGELS WINNING THE
PENATE.
GOOD LUCK AS A PUNKY SOPHOMORE
NEXT YEAR.

Steve Stricklin

Little Wally AKA Chambers,
Remember those 25 footers.
Even though I'm going to
see you in a week, good
luck in summer league.
